

Croshaw-Capucci Names Are Linked in Double Ring Rites

Kaye Arlene Croshaw was a beautiful bride when she walked down the aisle of St. Catherine's Church at 3 o'clock on Aug. 11 in her wedding gown of Chantilly lace over satin. The gown had a jeweled neckline and down the back of the skirt from the waist to the floor was a panel of tulle ruffles. Two rows of tulle ruffles were around the bottom of the skirt. A Juliet cap of seed pearls secured her finger veil and she carried a cascade of white glameas and carnations.

The bride is the daughter of Mr. and Mrs. Elmer Croshaw of 24462 Ward St. Her bridegroom, Joseph Capucci, Jr. is the son of Mr. and Mrs. Joseph N. Capucci, Redondo Beach.

The bride and her father met at the altar by the bridegroom and his best man, John P. Cocchia.

Miss Joyce Janacek was the maid of honor. She wore a pink lace ballerina gown and pink lace sweetheart hat. Her bouquet was a cascade of pink carnations. Ushers

were Ronald Nicholson and Phillip Wright.

The Rev. R. J. Tepe, pastor, conducted the marriage ceremony. Mrs. Rita Hanf at the organ played the wedding marches and accompanied Miss Lorena Mathews who sang "Ave Maria."

After the wedding, a reception was held at the home of the bride's parents in Walteria. Mrs. Ann Lanzalotte,

aunt of the bridegroom served the wedding cake and Mrs. Marie Mills poured punch while Mrs. Mildred Michelson, aunt of the bride, was at the coffee urn. Registering the guests was Donna Jean Janacek.

The young couple are residing in Lawndale following a wedding trip to Big Bear and Crestline.

The bride was a 1954 Torrance High school graduate and is employed at North American.

Mr. Capucci was educated in Philadelphia and is now employed by a manufacturing firm.

Candlelight Rites Unite Betty Tucker-Nat Mondati

Family members and close friends gathered at the First Christian Church last Friday evening, Aug. 24, to witness the wedding ceremony in which Miss Betty Tucker, daughter of Mr. and Mrs. James L. Tucker, 1740 Arlington Ave., became the bride of Nat Mondati, of 2317

Border Ave., son of Mr. and Mrs. Eugene Mondati of Minnesota.

The Rev. H. M. Sippel, church pastor, officiated at the candlelight rites.

Mrs. Evelyn Fitzgibbon was the bride's only attendant. She wore a ballerina length pink nylon gown and carried a colonial bouquet of pink carnations.

Mr. Tucker escorted his daughter to the altar and gave her in marriage. Her wedding gown was of tulle over candlelight satin fashioned with a fitted lace bodice and a billowy skirt. The neckline was accented with standup tulle and the gown had tiny puff sleeves. The shoulder length veil was held by a seed pearl crown and the bridal bouquet was a cascade of orchids.

James Fitzgibbon was best man and J. W. Marley seated the guests.

Mrs. T. M. Haynes played the wedding marches and the bride's request song, Debussy's "Clair de Lune."

The couple left for an undisclosed destination and upon their return will establish a Torrance home.

The new Mrs. Mondati was graduated from Torrance High School and El Camino College. Mr. Mondati received his early education in Minnesota and attended El Camino and Long Beach College. He is in business in Torrance.

The wedding reception was held at the home of the bride's sister, Mrs. Evelyn Fitzgibbon, 1819 W. 207th St.

"YEARS-AHEAD"

Once again Richfield translates Promise into Performance with its new \$10,000,000 platinum catalyst refining unit

With the completion of this remarkable equipment, Richfield continues its tradition of providing Western motorists with products that anticipate rather than follow advanced trends in automotive engineering. And equally important — this efficient new reformer will assure Western motorists ample quantities of top-premium fuels at the lowest possible cost.

No matter what the demands of tomorrow's automobiles are for more powerful fuels, this new facility will be ready — as it is ready now — to more than satisfy all requirements. This great new platinum reformer is the latest step in Richfield's never-ending program of expansion and development — all designed to assure you that Richfield petroleum products are truly "years-ahead" and will continue to be.
