

# Lomita Optimists Open Drive to Pay Hospital Costs for Carrier

By ALICE PALCZEWSKI DA 6-0788

The parents of Mrs. Joe Burns spent the past 10 days with her and her family at 25349 Cypress Ave.

Her parents, Mr. and Mrs. A. L. Holland and cousins, Mr. and Mrs. R. D. Hutchinson, arrived in Lomita on the 21st from Oklahoma City, Okla. During their visit they visited Knott's Berry Farm, Forest Lawn Memorial Park, and toured the immediate Southland.

Before returning to Oklahoma, the group plan to motor into Mexico and then take a southern route home.

Week end guest of Mrs. Richard Scherer, of 2336 254th St., was Nancy Waterman.

The friends spent the time shopping and "looking over" Torrance. Miss Waterman, a nurse at Bixby Knolls Medical Center, returned to work in Long Beach Monday morning.

The B. A. Carlsons recently returned from five days spent at their lodge in Snow Valley. Although it was quite chilly for the parents, the Carlson children got in some swimming.

The Carlsons belong to the Snow Valley Ski Club of which Mr. Carlson is the president.

The Phi Sigma Phi Sorority met in the home of Mrs. Fern Trantham on the 22nd. Plans were made for a party scheduled for sometime in October.

Wednesday night's meeting, the last to be held for a month, boasted a complete attendance. Members are Mrs. R. W. Gerhart, William Brian, H. T. Rogers, V. L. Stalcup, Carl Opsahl, J. W. Creager, F. W. Trautman, and B. A. Carlson.

The Optimist Club of Lomita is sponsoring the campaign for a fund for the hospital expenses of Henry L.

(Butch) Hudgins who lost his leg in an automobile accident here Aug. 11.

Butch was presented with a portable radio Friday by the Examiner carriers.

Butch, who is already getting into a wheelchair by himself, is visited by everyone in the hospital. Visitors are amazed at the boy's attitude. He is not bitter, he has accepted the loss of his leg as something that has happened and that is all. He never batted an eye when he had to be put back into traction because the injured muscles weren't doing right, the only time he cried was when his parents brought his dog to see him. Butch had worried about the dog since he was in the hospital.

The campaign, spearheaded by two mothers of other carrier boys involved in the accident, Mrs. Bert McVay and Mrs. James Hunter, has set a goal to cover hospital expenses. Fund jars have been distributed at many business places. They were prepared in the McVay home.

Other boys involved in the accident were "Duffy" McVay, James Hunter, and Jack C. Curtis. Duffy received a concussion and the other boys suffered lesser injuries.

Duffy had his bicycle demolished when the car driven by Calvin Baker careened down on them early Aug. 11. The proprietor of Bea's Cafe replaced it for him, Duffy was her carrier boy.

Recent house guests of the J. W. Creagers were Mr. and Mrs. George Van Hille and children from Palo Alto.

During their three-day visit the friends went water skiing, toured Disneyland, and had an evening's entertainment in the Creager home.

Enjoying the day's fun were the Van Hille children, Brad, Lee, and Michael, and the Creager boys, David and Steven, in the High Sierras.

### WALTERIA NEWS NOTES

## Walteria Kiwanis Club Sets Up Schedule for Polio Vaccination

By BETTY MITCHELL DA 6-4438

Well, folks, this is my last column for a couple of weeks since we are heading for the hills, with a tent, that is. Yup, we're taking everything but the kitchen sink according to my husband as he tries to pack the car, and taking off for Crestline where we plan to spend a week communing with nature. See you in September!

leys, Bert Pambles, Ed Grogans, Frank Hunter, Elaine Nixon, Betty Essex and Beverly Eager.

The Jack Galls are off to joy the boating and sea air available at Catalina where they are spending a week's vacation.

Mr. and Mrs. Fred White of Madison St. have been enjoying company recently in the person of Mrs. White's mother, Mrs. Peckham, of Brookfield, Mo.

Speaking of September, many of you readers will be interested in the following information regarding the polio shots to be given to children in the 2-10 age group here in Walteria and Torrance area. The project is being sponsored by the Walteria Kiwanis Club. Shots will be given throughout the month of September on Monday, Wednesday, Friday from 10 to 11 a.m. They will be given at the office of Dr. Hampton Fancher, on Pacific Coast Hwy. If you are interested in the shots please cut out the coupon below and mail to Mr. Emil Kaye, 24454 Hawthorne Blvd., Torrance. Name of parent: \_\_\_\_\_ Names of child or children and ages: \_\_\_\_\_ Preference of day for appointment: \_\_\_\_\_ If you need further information on this series of shots you can call Dr. Francher's office at FR 5-9416.

Brand new residents for our town are Mr. and Mrs. Frank Johnson, formerly of Silverton, Ore. They will live on Newton St. Mr. and Mrs. Johnson are the parents of Mr. C. W. Johnson, also of Newton St.

Birthdays can be very pleasant occasions, as Mrs. Hector Herrera of Walteria can tell you. Last Monday, Aug. 20, she got a call from Mrs. C. W. Johnson to "come down and have a cup of coffee." When she arrived she found friends had gathered to give her gifts and wish her happy birthday. Those enjoying the cake, coffee, and good company were Mrs. Carl Cramer, Mrs. Meredith Fink, Mrs. Fred White, Mrs. Robert Waegner, and Mrs. W. T. Allen. May we add our congratulations to theirs.

Mr. and Mrs. Tom Fitzpatrick of Danaha St. had a wonderful time last Saturday night when they went to a Luau at the Serra High School in Gardena. They were accompanied by Mr. and Mrs. Jim Pritch. Each guest took his or her own cushion, and were served Hawaiian style sitting on the lawn around low tables. Chicken, salad, and other delicious dishes topped off with a fruit dessert of sliced melons, grapes, etc., served on huge platters made a tasty banquet. After the dinner was finished the party-goers danced to the music of the Beach Combers combo. The evening was more than perfect for the Fitzpatricks, since they came home with a beautiful floor lamp of modern design which they won as a prize.

The Cub Scouts had a wonderful time at the pack meeting held Sunday at the Walteria Park. Games and prizes took most of the afternoon with pot-luck lunch and punch also sharing in the activity. Awards were given to the deserving Cubs after which they went home tired but happy. The next big event will be their field trip in September which will be a visit through the Matson Line Steamship Terminal at Wilmington.

Saturday, Sept. 15, will be the big day this year. That is the date of the annual Business Men's Club community picnic and program and parade. There will be prizes given for the best decorated bicycles, so the younger set had better get busy with their planning so they can enter the parade. The parade will be at 10:30 in the morning, and will form on Newton St., march from there to the park where festivities will continue. There will be booths at the park selling hot dogs, home-made baked goods, ice cream, pot, etc., so let's all join in and have some fun. Remember the fun we all had last year watching the "donkey" baseball?

Mr. and Mrs. Glen Ellis recently enjoyed a jaunt down south when they visited Del Mar for a day.

Members and friends of the Chancel Choir of the local Methodist Church were off for a week end of pleasure in the mountains last Saturday. The group journeyed to a resort at Crestline where they enjoyed swimming, hiking, games, and just plain "settin'." Food was served up by Chef Bert Pemble with the ladies giving helpful hints along the way. Among those going were the Hubert Ramp-

QUICK CHANGE

Airplanes often have to take off from airports where surface temperatures are more than 100 degrees and fly in a few minutes to altitudes where temperatures are near zero.
