**MEETS PRESIDENT . . .** Shown here at a recent San Francisco meeting is Charles A. Franklin, Congressional nominee from the 17th-District, and President Eisenhower. Franklin has pledged his support to the Eisenhower program for peace and prosperity.

## Bipartisan Committee Backing Franklin in Congressional Bid

The tempo of 17th Congressional District political activity increased this week with the announcement that a bipartisan group of prominent business and civic leaders have formed a "Citizens for Franklin" committee to support the candidacy of Charles Franklin in the coming national election.

Republicans and Democrats from various Southland communities have joined forces to assist Franklin in his drive to unseat incumbent Congressman Cecil R. King in the November runoff.

Heading the list of Republican members of the new committee are: John H. Camlin, chairman; Quentin D. McKenna, Manhattan Beach; Charles Soderstrom, San Pedro; Robert D. Gulliver, Gardena; and Gene Twarowski, Hawthorne.

In expressing his appreciation of the support of the two-party Citizens' Committee, Franklin said this action was "still another vote of confidence in the accomplishments of the Eisenhower administration."

**Visits President.** Franklin, who had a personal interview with President Eisenhower during the Republican national convention in San Francisco, said "the President told me of his great desire for a friendly Congress next year to support the aims and objectives of his administration."

"My goal is to encourage voters of both parties to assist me in becoming a member of Ike's team so the 17th District can be placed solidly behind him in the coming years."

Heartened by the bipartisan support of the committee and with indications of widespread approval of the Eisenhower administration during his current "Operation Doorbell" visits to area voters, the Republican Congressional candidate expressed his confidence in strong local area support of the Eisenhower-Nixon-Franklin ticket this fall.

## Tartar Teen Talk

By BERTA ROGAN, FR 5-6993

Last Monday Tartars could be seen all around campus practicing their smiles. Oh, I know why, that's the day pictures were taken for the annual and to be put on our A.S.B. cards.

Last Friday night the Junior Class had a party at the home of Betty Saddler. With the exception of a few seniors everyone who attended was a member of the class of '58. Everyone went swimming in Betty's pool and enjoyed a barbecue.

I sure wish someone would tell the THS Freshmen that lipstick is worn on the lips not all over the face. All kidding aside, though, they've been, on the whole, very good sports about the whole of freshmen week.

On the 25th and 26th of this month the Girls League will hold the first sale of the year on campus. It will be a snow cone sale, so bring 15 cents for a snow cone on both of these days. Judging from the hungry people in the snack and lunch lines, this is one sale where the Girls League ought to come out on top.

Word has it that we should win, so be sure to buy your A.S.B. card before then so you won't have to pay \$1 to see the game.

The Varsity Club is sponsoring an after game dance following the Glendale Hoover game at the Civic Auditorium. Tickets will be available at the shack on Wednesday, Thursday, or Friday of next week, or from the Varsity.

## New Shoppers' Guide Published

Being distributed this week is the new Torrance Shoppers' Guide, the sixth edition of the popular Chamber of Commerce business guide.

The new edition, with a yellow, red and brown cover, will be distributed to all homes in the Torrance, Lomita, and Harbor City area this week and next, according to Chamber Manager Tom Watson. Distribution will take about 40,000 copies, which will include enough to provide copies to new residents moving in during the year, Watson said.

The booklet is published each year by the Retail Merchants Division of the Chamber of Commerce.
