

### Area Women Are Invited To 'Treat Yourself to Dream'

With the invitation "Treat Yourself to a Dream," the Y. W. C. A. invites harbor area women to enroll in a six weeks charm course beginning on Monday, Sept. 24 at the Headquarters building, 437 W. 9th St., San Pedro.

Mrs. Nick Mosich, a graduate of the Rita LaRoy School will be the instructor. In addition to her professional modeling career, Mrs. Mosich has for the past year conducted the popular "Charm School" and "Charm Workshop" for teen age members of the Y. W. C. A.

Due to the popularity of these groups, adult members have requested this evening class for adults. Mrs. Mosich states that "the emphasis will be on you." In each session you will receive personal attention on problems of posture, use of color, minimizing defects, making the most of what you have and pointing out direction for personal growth in all its aspects.

In order to do this the class will be limited to twenty members. Registration must be completed immediately to be assured of a place in the group. Further information may be obtained from the local Y. W. C. A.

Topics to be considered during the six sessions will be:

Individual self analysis; social graces; what type are you; hair contour for you; here's to a lovelier you; and what shall I wear?

The Harbor Y. W. C. A. invites women to "Treat Yourself to a Dream," a dream of finding new loveliness of face, figure, and personality.
