**Ex-Gangster Hill to Talk At Youth Rally on Sunday**

To climax the youth rally now being held at the Lomita First Baptist Church, 26366 Hillcrest, Stan Hill, ex-gangster will speak Sunday night at 7 p.m.

Sanley D. Hill, South Gate, was converted at the age of 24 after a bullet through the neck brought him face to face with the seriousness of life, and left him confined to a wheel chair for life.

Hill spent four and a half years in prison; 16 months in juvenile detention homes, six months in the Los Angeles County Jail, 10½ months in Preston School of Industry, a state reform school, and finally 15 months and one week in San Quentin Prison.

"I would rather be in this wheel chair on my way to heaven," observed Hill, "than to be on my feet and on the way to hell."

Hill received the paralyzing wound during a holdup of a Beverly Hills liquor store while using a toy pistol. When it was discovered that the pistol was a toy, the manager shot him. He was later tried and sentenced to San Quentin Prison for this holdup.

Hill has appeared in over 100 churches, over 40 high schools and colleges in California, and has been sponsored by Rotary and Kiwanis clubs, by chiefs of police and high school principals. He is also author of the book, "A Bullet Stopped Me."
