The Greenthumbers' Garden Club will again sponsor the Christmas home decoration contest for Allied Gardens. Judging will take place on Dec. 17 beginning at 7 p.m. Prizes consisting of sweepstakes trophy, cash awards, and gift certificates will be awarded the following day. The names of the judges will be revealed after the contest has been judged. Residents of Allied Gardens may enter one of three different categories: lighting, which may be outdoors or visible from the window; religious, or a children's theme. Displays will be judged on beauty, ingenuity, and originality; cost will not be considered. Entry blanks will soon be distributed by the Junior Greenthumbers.

Plush Horse Set to Open Here Dec. 5

Formal opening of The Plush Horse in Redondo Beach, which will mark the inauguration of the luxurious restaurant and the climatic milestone in the 12-month construction program, is scheduled for Wednesday, Dec. 5. Awaiting the inspection and approval of one of America's most distinguished dining showplaces, a restaurant par excellence, are more than 100 civic leaders and top industrial figures who have already made table reservations during the coming weeks. Destined to become one of the outstanding restaurants anywhere, The Plush Horse will feature superlative dining at modest prices, attentive but unobtrusive service in a fashionable setting and keyboard entertainment at the cocktail lounge.

Elsie and Harold Gelber built and own the English-styled establishment that incorporates every conceivable facility for the patrons' comfort, relaxation and dining enjoyment. One of the important features are the private party facilities, designed to accommodate special luncheon and dinner gatherings. Many clubs, organizations and groups have already made advance reservations for their forthcoming parties and social affairs. The luxurious restaurant will be open daily from 11:30 a.m. until 2 a.m.

Rotarians Carry On Tradition

Christmas cards, symbolic gift of the Yule season, will be distributed by members of the Hollywood Riviera Rotary Club, through the courtesy of Hall Shannen, owner and operator of the Shannen Press, 1905 1/2 S. The elder Shannen was the founder of the Shannen Press. This season, a total of 5000 cards will be distributed, all donated by the Shannen Press.

What household servant works for less than 1939 wages?
A. Electricity

REDDY KILOWATT
YOUR ELECTRIC SERVANT

"UNLIKE MOST everything else you buy," explains Reddy Kilowatt, your electrical servant, "electricity costs you less today than it did 17 years ago." (Bigger bill? That's because you're using more and living better electrically.) Small wonder that today electricity is your biggest bargain in modern living.
