"Shorty" Moshland, former manager of the Torrance Jim Dandy Market and later manager of the Lomita market, is given a plaque in recognition of his efforts on behalf of Red Scouts in the area by Dennis Cook, new Scoutmaster of Troop 218, and Scoutmaster Bob Cooper of Troop 213. Rotarians Praised for Community Chest Support

Torrance Rotarians today are proud holders of a Community Chest award for outstanding contribution of their club to the Chest's 1958-57 fund-raising campaign.

Holder of an individual merit award is Arthur O. Osea, also a member of Rotary, who served last year as Harbor Area Chest campaign chairman.

George Bradbeer, immediate past chairman of the Harbor Welfare Federation, who presented the merit certificates to Osea and to Dr. Raymond A. Larson, Torrance Rotary president, praised the fine work done by Rotary members in support of 168 Red Feather Chest-sponsored agencies.

Among other Torrance Rotarians who have made exceptional contributions in Chest fund raising are A. E. (Tommy) Thompson and Sam Levy, both past Harbor Area campaign chairmen; John Ebbinghouse, past chairman of the Chest's commerce and industry division for Torrance, and Jack Schmidt, C&I chairman for Torrance last year.

CAMERA, EQUIPMENT STOLEN FROM CAR

Someone stole more than \$750 worth of camera equipment from his car as it was parked behind a store at 2212 Lomita Blvd., Lester George Michaelis, Long Beach, told sheriff's deputies Friday.

Michaelis said that the thieves had apparently broken in through a wind wing of the car, taking a \$400 camera, lens, light meter, flash unit, and other camera equipment from the back seat.

OIL STOLEN BY 'CARFUL'

A cartload full of people made off with 40 quarts of oil valued at \$20, Ronald Edgely, attendant at the Saguahan Motel Service, 2044 Pacific Coast Hwy., told sheriff's deputies Tuesday.

Edgely said five men and two women got out of a car at the station. Two of them tried to break open a cipher machine in the office, he said, while two others went into a restroom. While Edgely was in the office the others made off with the 40 quarts of oil from a live room.

Then, he said, all of them got back in the car and sped off. He said he believed some of them were smoking marijuana.
