### Duty Flight Lands Crew In Honolulu

A Torrance resident flew in a Navy four-engine transport in a trans-oceanic navigational flight from Naval Air Station Los Alamitos to NAS Barber's Point in Hawaii last week.

He was James Trospier, 2421 178th St., Aviation Machinist Mate first class in the Naval Air Reserve at Los Alamitos.

He left with members of his outfit, Transport Squadron VR-722, on the over-water training flight, as part of the 14-day annual training duty.

After 12 hours of night flying, the plane landed at NAS Barber's Point on the island of Oahu. The pilots and crew relaxed for two days of liberty in Honolulu touring the island and enjoying the beach at Waikiki.

Trospier, in civilian life, is an engineering student at El Camino College.

### Local Police Car Involved In Accident

A Torrance police car—chasing a speeding motorist—was involved in a two-car collision over the weekend, resulting in minor injuries to two policemen.

Police Officer Charles Byron Oates, 29, of 4620 Daren St., reported he was chasing the speed violator when the accident occurred at Sepulveda Blvd. and Western Ave.

The police car collided with another vehicle being driven by Stanley Vernon Duffill, 32, 22752 Hawthorne Ave.

Duffill told officers he had stopped at the intersection and proceeded with the green light when suddenly the police car entered the intersection.

In the confusion of the accident, the speeding motorist escaped.

**WELCOMING COMMITTEE** . . . James Trospier, Aviation Machinist's Mate First Class of Torrance is presented with a lei by welcoming hula girls at Waikiki Beach during a visit to Hawaii on a navigational flight from the Los Alamitos Naval Air Station, Long Beach. The trip was a highlight of his 14 day annual training duty with the Naval Air Reserve.

### Pomona Races Set Saturday

The fourth running of the Pomona sports car road races will be held Saturday-Sunday, July 27-28, officials of the sponsoring California Sports Car Club report.

The two-day, 14-event race meet will be held at the spacious Los Angeles County Fairgrounds. Drivers will race over a 2-mile, 10-turn course which has been laid out on the Fairgrounds parking lot.

President Ken Miles, of the CSCC, reports he anticipates an entry of more than 250 for the meet. The Pomona races have been among the most successful ever staged by the Club.

It is expected that the entry list will contain the names of most of the driving talent in the West.
