

Football Gear Issued As Benefit Game Practice Rolls Into High

Football gear was issued to 22 Bay League football players at Leuzinger Monday morning, after which the squad reported to Seahawk Bowl in Redondo for a 10-day practice session.

Meanwhile at Mira Costa High the Pioneer Leaguers had a slight jump on the Bay boys as they were issued uniforms on July 5 and were ready for practice Monday morning.

Missing from the Mustang workout is John Short, All-Pioneer end from Hawthorne, who has decided to play baseball instead of football.

Things were a little more gloomy for Coach Bob Cardona of the Bay League. He was without Redondo's four best football players of last fall, Dean Moore, Bruce Seifert, Tom McDonnell and Lou Cook.

Moore is passing up the game to play in the Shrine-HI contest on July 31. Seifert is unable to leave his leguifard assignment at Alondra Park. McDonnell has a dislocated finger, and Cook has signed a baseball contract.

Cook explained that he signed a baseball contract that goes into effect March 1, and did not know it would ruin his amateur rank in the high school event.

The Bay Leaguers have yet to hear from Jeff Snow, a tackle from Santa Monica.

By the end of a couple days' workout, Cardona appeared on good terms. He said, "There's one thing about it, I'd like

The Junior Circuit

The pennant winning Giants and runner-up Pirates dominate the all-star array for the forthcoming tournament play.

Managed by "Bo" Palica, who led the American League to the regional finals at Santa Monica two years ago, the team is composed of Ervina Palica, Charles Thorne, Larry Fujimoto, James Willis, Randy Newell of the Giants; Steve Wirtz, Richard McGuire, Steve Judson and R. Tom McCune of the Pirates; Mike Venable, Tim Roettger and Fred Buxton of the Tigers; Pat Walker, of the Red Sox; and Mike Appleby of the Dodgers. Don Gerard and Ed Thorne will assist Palica in moulding the players into a winning combination.

All-star lineup for the Torondo Little League has been announced and the team will be managed by Lee Pritchard and Ed Sheber.

Named for the stiff competition were Joe Sireater, Fredy Rowden, Danny Gates, Bobby Marshall, Mike Pritchard, Ken Anderson, Dave Sarano, Dick Fish, Billy Kehoe, Del Butterfield, Gerald Clen, Richard Dixon, Tommy Cooper, Glen Richard.

Fourteen players were chosen from six teams to represent the National Little League as tournament play draws close.

Ready to assume their positions are Dexter Patrick, John Cambon, Denny Carrasco and Ernie Clayton of the Stars; Steve Waters, Les Stanton, Mark Hunt and Rich Woodward, of the Braves; Bob Sonju, Mike Hartley, Joe O'Neil of the Yankees; Jimmy Wilson, Mike Cecchini, of the Cardinals; and Jeff Lillywhite of the Cubs.

Around the circuit of little league games last week, the South Bay League Tigers

to have this group of boys all season. It's going to be a treat to coach them."

Cardona has been particularly pleased with End Tom Brown and Bill Montgomery of Torrance. "Brown is so easy to coach, he makes the job easy," pointed out the Bay coach. Of Montgomery, Bob commented, "This boy really pushes people around."

Both teams dine together at the Redondo school before reporting for afternoon practice.

The Bay league roster, in addition to previously named talent, includes Mike McDonnell and Bryson Watson of Mira Costa; Tom Brown, Bill Montgomery and John Emory of Torrance; Art Webb, Don Marone, Gene McCann and Lynn Hoyem of Redondo; Bill Reames, Dave Test, Bob Ripley, and Lynn Knauss of Leuzinger; Tom Herman, Dick Wilson, Keith Jacobs and Dick Wilson of Inglewood; Bobby Thompson, Leonard Pecti, Tony Amos, James Palmer and Alvin King.

THIS WEEK IN LITTLE LEAGUE, BABE RUTH
Games beginning Sunday, July 14
LITTLE LEAGUE NORTH TORRANCE (190th and Beryl Ave.)
Sunday—Beavers-Trojans;

Wednesday—Beavers-Oaks;
Thursday—Solons-Seals;
Friday—Padres-Angels;
Saturday—Rangers-Mountiest Stars-Padres.

played a re-match with the Indians and came out victorious, 12-10. The Tigers scored three runs in the last inning to pull the game out of the fire.

Dennis Kane walloped his fourth home run of the season to help the Yankees down the Cardinals, 10-9.

Two home runs highlighted the game between the Torondo Dodgers and Indians. Jerry Cohen aided the Indians to victory with his long smash while Joe Sireater of the Dodgers hit a long one for the opposition. Final score was: Indians 16, Dodgers 4.

The Pilots are continuing to dominate the Pacific American Babe Ruth League with a 13-4 record. The Senators trail a close second with 12 wins and 5 losses.

PENNANT WINNERS . . . Shown here are members of the American League Giants, who led their little league at the end of the season. Giants also dominate the all-star array which will start tournament play soon. Front row (from left): Fred Myers, Greg Eberle, Dennis Kelly, Jimmy Willis, Chris Kliding. Second row (from left): Richard Powers, Larry McCann, Randy Newell, Larry Fujimoto, Richard Beemer. Third row (from left): Erv Palica, Charles Thorne and Ken Hoffman. Rear (from left): Paul Loranger (sponsor), "Bo" Palica, Ed Thorne and Bob Myers.

BLUEBIRDS MEET AT LOCAL PARK

Torrance Bluebirds will take on the Gardena Aztecas today, 2 p.m. at Torrance Park to wind up the first round of semi pro play.

Still leading the league, the Bluebirds will be out to make it five straight victories.

Although it took the last inning in a couple of games, the Bluebirds have eked out enough hits to make them known as a powerful nine on the diamond.

The Aztecas will be out to knock the pins from under the

locals in what promises to be a Sunday afternoon thriller at the local ball park.

SUMMER BABIES

More American babies are born in summer than any other season.

Close Games Highlight Girls' Play

Two close games highlighted play in the Girls' League last week. On Monday night the K Kids hung on to eke out by 11 to 10 over the Duffers. Margie Hartman, pitcher for the K Kids, broke up the ball game in the bottom of the fourth when she hit a home run with two on.

On the next night, the Duffers were the victors in another one-run victory, this time at the expense of the Basebags. This was another like a football score, 20 to 19. The big inning for the Duffers was the sixth, when they

batted around, collecting 12 runs on 13 hits.

The other game played on Tuesday night was a lopsided affair between the Esabs and the Hamburgers. After five innings the Esabs were ahead 26 to 1. It was a very sloppy game, and both teams committed several errors.

Thursday night saw a bitterly contested game between the K Kids and the Hotshots finally go to the K Kids, 7 to 4. The game was tied for three innings, and was still tied at the end of the fifth.

In the second game the Bruins waxed the Sureshots,

13 to 7. The winning pitcher was Dot Nelson who helped her own team by banging out three hits in three trips to the plate, and scoring two runs.

Thus, at the end of four weeks of play, two teams emerge with four wins and no losses—the Esabs and K Kids.

Sports Field Day Set

A sports field day will be held today from 2 to 6 p.m. at St. Lawrence Martyr Catholic Church, according to Martin O'Malley, general chairman.

As Far As Cramton Motors Mechanics Are Concerned There's

NOT A STRANGER AMONG THEM

IN FACT, THE INSIGNIA SHOWN HERE ARE BUT A FEW OF THE MANY DIFFERENT MAKES OF AUTOMOBILES OUR MECHANICS WORK ON REGULARLY

Because of the well rounded experience our mechanics have received they are more capable and can better handle your motor problems.

PUT NEW LIFE IN YOUR CAR WITH A RE-MANUFACTURED ENGINE

Here is what you get, step by step---

- (1) Engines are completely disassembled. Frozen plugs are removed prior to cleaning to insure internal cleaning of the cooling system.
- (2) Engines and parts are thoroughly cleaned in tanks, using a caustic solution. They are then steamed externally and internally under high pressure.
- (3) All blocks are rebored.
- (4) The valve seats are recut and ground to the correct angle and a true surface. Special pilots are used to insure true seating.
- (5) After reboring, each cylinder is wet honed. A uniform surface is maintained with close tolerances.
- (6) Blocks and parts are washed in kerosene to remove abrasive materials collected during the rebuilding operations.
- (7) Crankshaft oil passages are cleaned with brushes and each shaft is recentered. All crankshafts are re-ground and micro-finished.
- (8) All oil passages are cleaned again, sharp edges are beveled and the bearing surfaces polished to a glass finish.
- (9) The camshaft lobes and bearing surfaces are reground. This insures smooth, quiet valve operation.
- (10) Main bearings are align bored to obtain a perfect fit. This eliminates clearance variation due to filed or mismatched caps or warped blocks.
- (11) Insert type connecting rods are reground to exact factory specifications. The caps and rods are milled prior to grinding.
- (12) In babbitted rods the old babbitt is removed and the rods are tinned to insure perfect bonding. The rods are then re-poured using the finest metals.
- (13) The rods are grooved and cut to the correct undersizes. A very close tolerance is maintained.
- (14) Bushings are diamond bored in order to obtain 360-degree bearing surface. Operating clearances are held to a plus or minus .0001.
- (15) All rods are matched and are of equal length and exact weight, then they are aligned. This prevents bossing or piston scoring due to bends or twists in the rods.
- (16) Each oil pump is rebuilt and tested to insure proper lubrication. Every engine comes with a rebuilt oil pump.
- (17) Heads are resurfaced. Only cast iron heads are used on production engines.
- (18) Finally all component parts are installed by trained mechanics.
- (19) All engines are tested under their own power.
