Cyclist Loses In 'Love Game'

Winning back a wife's affections can prove mighty dangerous—especially the way one local man tried to do it.

That was what Robert Maggard, 25, 20617 Mariposa Ave., discovered Thursday, after he tried playing tag at 50 miles per hour on his motorcycle, according to California Highway Patrolmen.

The CHP reported that Maggard was riding around a car driven by his estranged wife, Christine, on his motorcycle at speeds up to 50 miles per hour.

Something new has been added at the Torrance police station—three girls who will operate the switchboard.

The women will work the switchboard thus relieving three men for duty in patrol cars.

Starting duty this week were Patricia Speaks, Emily Curtis and Mary Carter. They also will type preliminary reports during the day and evening shifts.

Trip Becomes Nightmare

A week-long vacation trip to Mexico City turned into a temporary nightmare for Mr. and Mrs. Don Wolf, 21804 Hall-dale Ave., and their son, Bob, 15, as they were caught in the disastrous earthquake which shook Mexico's capital city Sunday.

The Wolfs were asleep in their room on the sixth floor of the Hotel Romfel when the devastating quake hit at 2:40 a.m. Sunday. They were in their beds and were forced to crawl down the hotel stairs as the lights were knocked out.

Bright Future Painted

A bright future for the El Segundo division of Douglas Aircraft was painted by E. H. Heineman, chief division engineer, at a Wednesday meeting of the El Segundo Management Club at the Mayflower Ballroom, Inglewood.
