

Two local men were among sailors visiting Seattle, Wash., during its annual Sea Fair. They were Arnold E. Daniel, fireman aboard the submarine tender, USS Nereus, and Robert E. Page, seaman apprentice, aboard the escort vessel Grady. Daniel lives at 23855 Park St., while Page is the son of Mr. and Mrs. Albert K. Page, 4528 Cardison St. Twenty-two Navy ships were open to the public during the fair.

Three Torrance men are among more than 300 from Arizona and Southern California currently based at the Marine Corps Auxiliary Air Station in Mojave while on 15-day summer training maneuvers with the Marine Corps Air Reserve. The Torrance reservists are 1st Lt. Robert D. Gillis, 18418 Doty Ave., Privates First Class Wesley A. Hanson, 1314 W. 219th St., and Robert A. Larson, 1072 Greenhedge St. They are members of Marine Fighter Squadron 123 which flies the fast swept-wing F9F-6 "Cougar" jet fighter planes during training duty one week end each month in addition to the summer maneuvers. The squadron is normally based at the Los Alamitos Naval Air Station near Long Beach.

PFC Jose Mendoza, 21, son of Mr. and Mrs. Carlos Mendoza, 2165 W. 240th St., Lomita, recently participated in a five-day annual Army Training Test with the 11th Airborne Division's 503rd Infantry in Germany. A rifleman with the infantry's Company B, Mendoza entered the Army in May, 1955, and arrived in Europe in February 1956.

Warren E. Hinds, son of Mr. and Mrs. Roy E. Hinds, 460 E. 214th St., recently was promoted to major while serving with the U. S. Army Ryukyus Command, Okinawa. Major Hinds entered the Army in 1939 and was last stationed at Fort Bragg, N. C.

Four Torrance Marine Reservists are currently undergoing two weeks of active duty training at the Marine Corps Auxiliary Air Station, Mojave, with Marine Air Reserve Fighter Squadron 241. The local men are Maj. Henry Fink Jr., 3916 Newton St., a jet pilot; Master Sgt. Jack W. Berry, 2012 Kathy Way, and T-Sgt. Conrad J. Heppel, 22311 Ladeene Ave. both engineering specialists, and James D. Roberts, 21206 S. Vermont Ave., a basic trainee. More than 300 Marine Air Reserve officers and men, who normally train at Los Alamitos Naval Air Station, Long Beach, are taking part in the annual training exercise. The majority of the Reservists have had to completely revise their living habits during the two week period, which will conclude Aug. 3. Due to the high desert temperatures, which often hover near the 100 degree mark even through the night, the work day begins at 4 a.m. and ends shortly after noon. Ground school and other training requirements are carried on later, however, finding some individuals working as 14 hours per day.

A pair of Torrance Marine Air Reserves, Sergeant Vernon L. Dell of 25618 Crenshaw Blvd., and Sergeant Wallace B. Howard, 5414 Arvada St., are currently undergoing two weeks of active duty training at the Marine Corps Auxiliary Air Station, Mojave, with Marine Air Control Squadron 18. More than 300 Marine Air Reserve officers and men, who normally train at Los Alamitos Naval Air Station, Long Beach, are taking part in the annual training exercises.

Army PFC Kenneth L. Stevenson, 23, son of Mrs. Virginia B. Evans, 1008 Maple Ave., is taking part in the 1957 summer nuclear test series at the Atomic Energy Commission's Nevada Test Site near Las Vegas. Stevenson is participating in an indoctrination program to familiarize military personnel with the effects of atomic weapons. He entered the Army in November, 1956, and completed basic training at Fort Ord. He attended Torrance High School.

Marine Pfc. Thomas M. Lenahan, son of Mr. and Mrs. Michael P. Lenahan, of 22420 Susana Ave., landed on the rugged terrain of Barking Sands, Kauai, T. H., early Aug. 10 as the 1st Marine Brigade launched Operation "Trade-winds," a five-day amphibious sea and air assault employing the latest atomic age concepts of dispersal and surprise attack.
