

Coin Collector To Address Club

Donald C. Smith of San Pedro, who has been a collector of coins since early youth, will speak to members of the Torrance Rotary Club at its regular meeting tonight at the Torrance Woman's Club.

Smith has collected at least one sample of every item of money ever issued by the United States, including copper, nickel, silver, gold, and paper money.

He does admit that he is short three items: \$5000 bill, \$10,000 bill, and the \$100,000 bill.

Part of his fabulous collection will be displayed to the Rotarians during the meeting.
