

ROD & GUN Chatter

By DONNA BARKDULL

Scatter gunners olin' up their shootin' irons in preparation of the opening of the 1957 dove shoot slated for this week end. Anxious hunters are not too happy over the fact that the season's first shots cannot be fired until dawn Sunday. Saturday would have been more to the liking of those planning on traveling to Blyth, Holtville and other distant spots where dove are plentiful. As most are due back on the job Tuesday morning, the regular three day hunt has been cut to two.

Deep sea fishing prospects for the holiday weekend took a swing upwards as white sea bass, lots of them and big, hit on the Horseshoe Kelp latter part of last week. Largest hooked into Joe Martin's San Pedro dock hit 44 pounds 10 pounds brought to gaff by Fred Coe of Los Angeles, winning him the weekly prize in Martin's fishing derby. Altogether last week's tally totaled 169 white sea bass, 2216 barracuda, 42 yellowtail, plus the usual run of miscellaneous catches. Unusual note is the week end accounted for most of the score.

Ray Beadle, aboard the fisherman out of Pacific Monday, sacked five big whites, topped over 36 pounds. Possibility of night trips, with any indication they may stay around for any length of time. White sea bass are great night feeders.

Qualifying weight in the annual San Diego Yellowtail Derby only a couple of ounces shy of the 30 pound mark. The fleet concentrating mainly on scrappy yellowtail and boneheads, as albacore schools moved out of range. New schools still away down south.

Dolphin total went over 2600 for the season as compared with only two last year. Al Gilbert got in on one of the hot days last week aboard the Sea Boats. Total count hit 106, Gal sacking six of them.

Big Holiday Sweeper at Local Lanes

Torrance Bowl-O-Drome's Giant Labor Day Doubles Sweeper will start its four-day run tomorrow, continuing through Sept. 2.

Both men and women will be on the lanes for the 24-hour-a-day contest for three games across six alleys. Top local bowlers are expected to provide keen competition in the amateur bowling event.

Ladies are also reminded that new leagues are now being formed. Reservations can be made at the Bowl-O-Drome with the start of school. Women are expected to find a fine bowling a good recreational sport.

In the Douglas Swing Handicap, the Wild Ones and the Pocket Pickers are tied for first place, each sporting a 40 win-16 loss record. Doug Hill came up with the high series score of 699 with Wilma Speck rolling a respectable 637 series.

Al Amundson took top honors in the Tuesday '842 Scratch with his 243 game score while Bob Duprie copped series honors with a 637. Marine Sheet Metal is three games ahead of Alans Mens Shop in season totals.

Peggy Tipton Wins Three Skate Events

Peggy Ann Tipton, 15, placed first in three events in the American Amateur Roller Skating Championships held in Oakland recently. She entered four events and in addition to winning first place in Intermediate Ladies Singles, she also took top honors in Junior Girls Figures and in Novice Fours.

This is the first time the Intermediate Ladies Trophy has been won by a California contestant. The skater entered the 1957 California State and Southwest Pacific Regional and won first in Intermediate Ladies Singles and first in Junior Girls Figures and third in Novice Fours and Intermediate Pairs at Santa Ana, thus making her eligible to skate in the 1957 American Championships.
