

THS Bees Raise Curtain On 1957 Football Season

Hoping to start the season on the right foot with a story over Compton, Torrance's Bee footballers raise the curtain on their 1957 football schedule today in a non-league fracas at 2:45 on Compton's gridiron.

Although having only two returning lettermen from last year's second place team, new Coach Howard Brubaker's crew should make a game of it, as a speedy backfield along with a hustling line will be out to bring home the bacon to THS rosters.

The two returning lettermen figure as key men in the team's future outlook, and both will be in the starting lineup today, Joe Montgomery at fullback, and Roxy Richards at guard.

Coach Brubaker has been preparing his squad, now over 70 strong, since Sept. 4 and has high hopes for a successful season.

Running out of the "split-T," the Tarabees will have in their starting backfield Jack Rawlins, Rick Bradford, and Montgomery to carry the offensive load.

Amick Heads Racers

Little George Amick will head the list of Indianapolis drivers who'll open the fall racing season at Gardena Stadium, Saturday night, Oct. 5, when J. C. Agafanion presents a 100-lap USAC National Championship midjet auto race.

THINCLUDS OPEN CROSS-COUNTRY TRIALS FRIDAY

Opening their cross-country season tomorrow with a triathlon meet between Beverly Hills and Hawthorne, THS varsity distance squad will have their first chance to prove themselves over the 1.3 mile course to Tartar rosters.

With three returning lettermen from last year's second place team, plus three more varsity candidates up from the junior-varsity, the team has an excellent chance of winning the Bay League title.

Len Ehlers, Joe Gilstrap, and Sanford Smith will probably be among the top 10 Bay League distance men, and possibly place high in CIF ratings. These three are the chief reason why THS runners are rated so high in pre-season polls.

Up from the jayvees are three more outstanding runners, Dennis Hansen, Jack Tippen, and Richard Rodriguez, more reasons why THS is best bet to win back the crown Torrance High owned for three years until Mira Costa stepped into the picture and copped the top spot these last two seasons.

SPARTANS FIELD 1ST GRID TEAM

South High Spartans will send a spirited eleven into tomorrow's opening clash at Torrance High Stadium against John Muir Jayvees at 3 p.m. The locals are distinguished in that the players, almost without exception, have never before had a football suit on.

Coach David Tollefson has indicated his freshmen and sophomores will employ the single wing attack over the

NEW MOTORS AID SILENT OUTBOARD'S

The nation's biggest watercraft sport — outboard boating — has arrived at one of its ultimate goals long sought by skippers and landlubbers alike: "silent outboard."

The Torrance Boat Mart, 1515 W. Carson St., is offering for Plymouth, Michigan, and this week that "the era of silent outboard" has arrived with the introduction of the 1958 Evinrude outboard motors.

Headlining the new 12-model line of Evinrude are the 50 h.p. Saffire and the 50 h.p. Four-Fifty, four-cylinder V motors. Despite the increase of 15 horsepower over 1957 models, the new Evinrude 50's, Boat Mart officials said, are the quietest outboards ever manufactured, producing less operational sound than the smallest horsepower motors.

PLASTIC OUTPUT

Plastic production in 1957 averaged about 83 pounds for an average U.S. family.

Experts Guess Outcome of Top 1957 Clashes

With today's issue, The Torrance HERALD sports page will feature prognostications for the week end's top football games.

Representatives of local service clubs will compete in the weekly contest.

Making their choices each week will be M. W. Heimerdinger, Civitan; Harold Massie, Optimists; Ken Anderson, Kiwanis; Pete Radisch, Lions; Don Matthews, Walteria Businessmen's Club; Charles Scott, Walteria Kiwanis; Eddie Raphael, Rotary; Dick Hubert, North Torrance Lions.

Representing The HERALD sports staff will be Vonda Carlton.

Sport's fans are invited to make their own choices at home to see if they can "beat the experts."

Harbor Gridders Schedule Tilt With Pirates

In their first outing of the year the Harbor Junior College Seahawks battled the Los Angeles City College Cubs to a 13-13 tie in a scrimmage held on the LACC turf last Friday.

Bob Brown was the big man for the Seahawks, scoring both touchdowns. Brown, the former Northridge prep star, took a hand-off from quarterback John Early and romped 70 yards to pay dirt.

Later in the quarter he drove over from the 3-yard line after a successful Seahawk drive not moving. John Early added the extra point. Both Harbor scores came early in the contest before the Cubs were able to penetrate into scoring territory.

Ray Wrenn, Cub quarterback, hit Henry Rivera with a 13-yard pass for the first of two LACC scores. Wellington Phillips added the second six-pointer on a two-yard drive up the middle.

Since this was the first contest of the year, the Seahawks were not playing their best. The pass protection by the Harbor crew was very bad, and many times the quarterback did not get a chance to hand the ball before being smothered.

This week the practice sessions will center around better pass protection and offensive blocking.

Harbor will play its first practice game of the year this coming Saturday against the Porterville Pirates. The game will be played in Porterville at 8 p.m. Last week the Pirates defeated Harbor College 27-6. The Buck eleven showed a great passing game, as all their touchdowns came via the air.
