

IT'S HI-JINX TIME AT CARL STEELE... Mrs. Albert Hawkins, PTA president; Mrs. Donald Coleman, Hi-Jinx chairman; and Mrs. Warren Steele, third vice president, make final inspection of the Sleep Walker, R. K. Petrat, principal. Festivities will take place Oct. 26 from noon until 4 p.m. The public is invited.

**Carl Steele PTA All Set For Festive 'Hi-Jinx'**

"A Sleep Walker" who roams with pockets laden with prizes is just one of the many attractions offered at the Carl Steele Hi-Jinx. This fun jamboree will be held Saturday, Oct. 26 from noon until 4 p.m. More food, more booths, more frolic is promised by co-chairmen Mrs. Donald Coleman, and Mrs. Robert Golden.

Eleven youth groups of the community are entering the festivities and will sponsor a booth of their choice. Full proceeds from these booths will go to the respective sponsor so families and friends can support and aid these groups and have fun doing so.

A costume parade starting at 11:30 will kick-off the festivities and each child who enters the parade will receive a free ticket.

Hot dogs, cold drinks, popcorn, ice cream, doughnuts and coffee will be served.

A variety of booths have been selected to amuse both young and old and truly provide an afternoon of fun and frolic.

**Fern-Greenwood Carnival Takes Place Tomorrow Eve**

A night of fun is in store for the whole family at the Carnival to be held at the Greenwood School, Friday, Oct. 25, from 6 to 9. The gala affair is the main money raising event of the Fern-Greenwood PTA.

There will be hot dogs, pop corn, coffee, and desserts at the dessert shop. A rummage and white elephant sale will interest the adults. A country store will offer canned goods as well as jams and jellies, and home-made cakes and pies to take home. A booth features fancy work, may offer ideas for Christmas presents. A whole room full of games of chance will keep the small fry busy.

Herman Boodman, seventh grade teacher, has a group presenting a play "International Affair." The scene is laid in a museum and a gang of international jewel thieves take over. The play will be presented in the Fern Cafeterium, and there will be adults to insure the safe arrival and return of children to the Greenwood school. A schedule of times of presenting the play will be posted.

Mrs. Bert Lynn, chairman, emphasizes all booths and events will be held indoors.

**NEW ARRIVAL**

Proud new grandparents are Mr. and Mrs. L. W. Brownlee, 1628 Greenwood Ave., who welcomed a new granddaughter Saturday.

Also awaiting a first glimpse of the new baby is Mrs. Pearl Dodge of the same Torrance address — the great-grandmother.

Paternal grandfather of the new child is Thomas J. Wilkes, 2717 Carson St.

Jennifer Lynn Wilkes, daughter of Mr. and Mrs. David Wilkes of Garden Grove, made her debut at St. Joseph's Hospital in Orange. The infant's big brother, four-year-old Dee-Dee Wilkes, has spent the last two weeks visiting in Torrance with his grandparents and great-grandmother.

**Casimir**

This Saturday, Oct. 26, from 11 a.m. to 4 p.m., Casimir Elementary School will welcome young and old alike to join the fun and activities at the PTA carnival — the only fund-raising event for the year.

There will be hot dogs, "Sloppy Joes," cold drinks and many other goodies. On the "Midway" prizes will be offered at the game booths. There will be games for all ages; fish pond, bean bag, skill ball and many more.

A blue ribbon baking contest will be held. In addition to the contest, delicious cakes, pies and cookies will be sold with coffee or soft drinks.

The "Country Store" will have a wide variety of aprons and needlework of all sorts, canned goods, remnants and toys.

Among the many inartest-ing booths planned for the event, will be a Country Store featuring such wares as home-made candles, preserves, house plants and White Elephant articles. Mrs. John Carrievau, chairman for the carnival, has announced.

**Arlington**

Arlington Elementary PTA held their first association meeting on Oct. 10, at the school cafeteria, and a record crowd was in attendance. The executive board was introduced by Mrs. Jack Prince, president and Malcolm Richard, principal, introduced the teachers.

Reid Bundy, who is in charge of the dental health program in Torrance, told of the work they are doing and the part that PTA plays in helping to obtain the money for this project.

Sam Waldrip, superintendent of business for the Torrance Board of Education, was the principle speaker of the evening. He explained the building program for schools, new ones that are being built, wings that are being added in an effort to overcome half-day sessions as soon as possible.

The date for the Carnival, Oct. 31, was announced. Oct. 16 and 17 are the dates set for the Group Conferences. These are going to be held in the evening for the purpose of getting to know the teachers and learning about the school program. All parents are asked to attend.

A social hour followed the meeting with the members of the Executive Board serving as hostesses.

**259th Street**

Tomorrow night, Friday Oct. 25 is the night! It's Mardi Gras time and the 259th Place School P.T.A. has worked long and hard to make this year's carnival a big success.

All children love to play and win prizes, and they can do just that at any one of the many game booths, and remember, no-one leaves a booth without a prize.

Little girls and dolls go together, so the doll booth is a must for all mothers and daughters, as the collection of beautiful dolls will be well worth seeing. Stop by this booth early before all of the dolls are gone.

Mother's homemade candies, cakes and pies are to be featured in the country store in bungalow 24, along with toys, nic nacs, jewelry, white elephants, aprons, pot holders, etc.

Since carnivals are for children another attraction for them will be movies of Mighty Mouse and Our Gang shown in the auditorium at 6:30 pm and 7:15 p.m. There'll be hot dogs, popcorn, cotton candy, snow cones and punch available throughout the evening at the booths. A spaghetti dinner will be served for the upper grades.

**Harbor City**

Tuesday, Oct. 8, marked the first association meeting of the school year, by the Harbor City PTA. A social hour was enjoyed before the meeting, with the executive board serving refreshments.

Mrs. James Alexander, president, called the meeting to order, and Girl Scout Troop 643, led the pledge of allegiance. Featured on the program was the school safety club, and guest speaker was Sgt. Charles Woods, head of the Accident Investigation Department of the Harbor Area, who spoke on "Safety" to the parents as well as students from the 4th, 5th and 6th grades. Sgt. Woods pointed out methods used and improvements which are trying to be made to prevent accidents. He says there are the 3-E's to make accident prevention more effective—they are, education, engineering and enforcement. After his very informative talk, he had six students for a question and answer quiz on bicycle safety, and then a suggestion period from the parents.

Mrs. Alexander announced that 248 parents had joined the PTA to this date.

Plans are in progress for the annual school festival to be held on the school grounds Saturday, Oct. 26, from 11 to 4 p.m.

For the most parents present, Mrs. Vera Newman's B-2 class won the prize as did Mr. John McClintock's B6 and Mr. Francis Rush's A4-B5 class for the upper grades.
