#### Library Saved Local Borrowers \$237.084 in Book Costs in 1956

Hermosa Beach, Keystone,

donn 1, 14 so County Librarian John D. Henderson to the Board of Supervisors. The Librarian said he based his figure on the estimate of \$3 being the average cost per book of those withdrawn for home reading and the fact that the Torrance branch librarian, J. Scott Paxton, checked out 79, 882 volumes for that purpose.

"Many of the books cost less." Henderson said, "but many cost a great deal more.

Those 79,082 books were read by 10,225 Torrance individual, adults and children.

Region 3, which includes the local branch and 13 others—Carson, Dominguez, Gardena, Hermosa Beach, Keystone,

If local book lovers had Lawndale, Lomita, Manhattan bought the books they borrow-ed last year from the Torrance Noneta, North Torrance, Strawed last year from the Torrance Noneta, North Torrance, Strawbranch of the Los Angeles County Public Library their combined spending would have amounted to \$237,084! This was disclosed in the 45th annual library report submitted by County Librarian est in the éntire United States,

### 1844 Adults -- 1 in 30 - - In Night School

The largest number of adults in history—1844—are registered in classes at Torrance Evening High School, according to Victor U. Kilburn, adult education director. One out of every 30 adults in the city is taking a high school class.

The largest number of adults in history—1844—are registered in classes at Torrance Evening High School, according to Victor U. Kilburn, adult education director. One out of every 30 adults in the city is taking a high school class.

The students are enrolled in 52 classes on subjects ranging from piloting and sail boat handling to English and public speaking.

Of the total, some 350 adults are working for credit toward a high school diploma. For the first time, a new class in piloting and small boat handling was added this year, with Coast Guard certificates given at graduation. Another orance Board of Education has extended the General Educational Development tests to non-vets over 21 as a partial requirement for earning a high school diploma. The tests have been used for veterans for several years as the equivalent of up to 100 credits toward of up to 100 credits toward bandling to English and public speaking.

## Supervisors Set Up Service

The Board of County Super-visors Tuesday established a community mental health ser-vice for Los Angeles County and created the Los Angeles County Mental Health Advis-

County Mental Health Advisory Board as a means of conserving mental health and preventing mental illness.

Supervisor Kenneth Hahn, in presenting the resolution, declared that mental illness is one of the most serious problems of government today and that the creation of the local mental health service provides an important way in combatting mental illness through emphasizing prevention.

ting mental liness turougn emphasizing prevention.

Matching Funds

The resolution was adopted in accordance with the Short-Doyle act of the State Legislature-which provides matching funds to counties establishing

Health.
Superfisor Hahn, who is chairman of the Board of Supervisors committee on the county mental health department, pointed out that passage of the resolution will make it mossible for the County terms. of the resolution will make it possible for the County to receive income of \$300,000 for the balance of this fiscal year for outpatient and inpatient psychiatric services through the County General Hospital.

"I think that we should emphasize the importance of preventing mental illnesses in administering this most urgent program." Supervisor Hahn de-

venting mental illnesses in administering this most urgent program," Supervisor Hahn de-clared.

He stated that he believes that local mental health clinics should be established in local health centers during evening hours and on Saturdays for counseling of family groups.
