

UNDER CONSTRUCTION . . . Sketch of the new Bank of America branch at Hawthorne and Sepulveda shows how the building will appear when completed by next Aug. 1. The building, land, and paved parking area represent an investment of about \$450,000 and will be the bank's second branch in Torrance. It was designed by the architectural firm of Stiles and Robert Clements.

Hahn Renews Request That Motor Industry Seek Smog Eliminator

In a strongly-worded letter, Supervisor Kenneth Hahn today urged the automotive industry to install air pollution control devices on all 1960 cars as they roll off the assembly lines.

Writing to L. L. Colbert, president, Chrysler Corp.; Henry Ford II, president, Ford Motor Co., and John F. Gordon, president, General Motors, Hahn declared that "it is absolutely imperative that the automobile industry rapidly fulfill its responsibility and install smog elimination equip-

ment on automobiles as they are manufactured."

HE REMINDED the auto industry leaders that he had corresponded with them each year since 1953, emphasizing the need for speedy development and perfection of a device to eliminate or substantially reduce exhaust fumes which are the major cause of air pollution in Los Angeles County.

"I fully realize the need for research prior to the development of an exhaust control device," Hahn stated, adding that

he is "disappointed that more progress has not been made by the automobile industry."

"Air Pollution rules and enforcement measures have had a direct effect on every person and business in Los Angeles County, except the automobile industry, which is responsible for the major known source of air pollution," he declared.

THE HEALTH AND welfare of the people must be protected and the automobile industry has a real responsibility in this

vital matter, he continued.

"I have gained the impression," Hahn added, "that the automobile industry considers that air pollution control is not as important to the industry as new styling, grille design, more horsepower, or any other accessory."

"It is my belief that the public deserves the same type of interest from the officials of the automobile industry in regard to the air pollution problem as to any other related safety features of the automobile."

HE CONCLUDED the letter by requesting the presidents of the three major companies to "urge your engineering department to speed up the development of a device for the automobile and that you will use your influence to see that the 1960 models are equipped on the assembly line with an air pollution control device."

Hahn added that to remove the smog from the air in Los Angeles County, air pollution controls must be imposed on the auto industry and there must be strict regulation of refineries and the petroleum industry, including the development of a "clean" type gasoline fuel.

'Escape to Egypt' To Be Shown

"Escape to Egypt," the second of 12 full-color motion pictures covering the life of Christ, is to be shown Sunday 6:30 p.m. in the sanctuary of the South Bay Church of God, 17661 Yukon Ave.

The film recently portrays the reasons Joseph and Mary remained in Bethlehem after the birth of Jesus, the recognition by Simeon, the ceremony of redemption, Herod's attempt to outwit the Wise Men, the adoration of the Magi, the order for the slaughter of the innocents, and the escape of the holy family.

The public is invited to attend the entire series of 12 films of 30 minutes each Sunday evening at 6:30 p.m. in the sanctuary.

Lesson-Sermon To Deal with Paul's Letter

Christian Science is the subject of the Lesson-Sermon at all Christian Science church services throughout the world this Sunday. The sermon will touch upon the origin and basic teachings of active Christianity and the consecration required to live and heal spiritually.

The Golden Text keys the sermon with Paul's admonition in his second letter to Timothy "Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth."

The healing work of Jesus' followers is illustrated in a reference from Acts (5:12, 16) where it is recorded, "And by the hands of the apostles were many signs and wonders wrought among the people; . . . There came also a multitude . . . bringing sick folks, and them which were vexed with unclean spirits: and they were healed every one."

Sylvester Eve Services Set

"Sylvester Eve" services will be held at 7:30 p.m., New Year's Eve at St. Matthew's Church, 255th St. and Normandie Ave.

R. J. Rooney, newly-elected president of the church, will be installed at 11 a.m. services Sunday. Other officers to be installed include: Fred Korff, vice-president; Loren Scheele, secretary; B. Brobert, treasurer; Gordon Buchanan, financial secretary; Paul Schneide, elder; Ray Ferrin, Jr., Charles Newville, and Merritt Rowe, trustees; Roy Ferrin, board of education; and Philip Haas, Sunday School superintendent.

'Inventory' To Be Sermon Topic

In anticipation of the year ahead, "Inventory" will be the sermon topic at First Presbyterian Church of Gardena, 1957 Rendondo Beach Blvd., Sunday at 11 a.m. services.

Church school will take place at 1842 Gardena Blvd. at 9:20 a.m. Child care will also be available.

Calvary Greet New Year With Service, Party

Calvary Baptist Church, 2818 Manhattan Beach Blvd., will welcome the New Year spiritually at services to be conducted 11:15 p.m., New Year's Eve socially at two dances—one for Senior High students and one for Junior High members—to be held the same evening.

Junior and Senior High girls will visit Los Angeles County General Hospital Monday to present the patients with tray mats. Following a guided tour of the hospital, the girls will play miniature golf. Accompanying the group will be Miss Aleda Kennedy, Miss Marilyn Myers, and Mrs. Marabel Chapman, counselors.

Catered Party Set By Temple

"A Catered Affair" will be the theme of the New Year's Eve dinner party to be held at Temple Menorah, 112 N. Catalina, Redondo Beach, at 10 p.m. Wednesday.

Highlighting the menu will be turkey, cold cuts, relishes, potato salad, cole slaw, coffee, and cake. Champagne will also be served.

Among those expected to attend are Mr. and Mrs. Earl Sumpter of Torrance and Dr. and Mrs. Gene Kaufman, also of Torrance.

Reservations chairman is Mrs. Albert Carmona, FR 9-7953, assisted by Mrs. Eser Bluestein, FR 5-0805.

Future to Be Sermon Topic

A New Year's message will be delivered by Dr. Earl D. Barnum, Sunday, when he speaks on "Meet Your Future Today". Dr. Barnum will discuss the future and how to build for it with Religious Science at the regular 11 a.m. services of the Redondo-Torrance Church of Religious Science.

Preceding the sermon there will be a Silent Healing Meditation, beginning at 10:30 a.m. Children's church services will take place at 10:55 a.m.

OFFICERS NAMED

Richard P. Sherwood was named senior vice president and David F. Culbertson a vice president of Citizens National Trust & Savings Bank of Los Angeles this week.

READY TO EJECT . . . Seated in a cockpit trainer built to familiarize pilots and ground crews in emergency escape procedures and repairs is pretty Betty Roach of Horkey-Moore Assn., Torrance. The engineering firm built the mobile training unit for Convair's F-106 jet interceptor. It will eventually be airlifted to Air Development Command bases throughout the country for on-the-spot familiarization of Air Force personnel.
