AN ANSWER TO THE PRESSURES

OF MODERN LIVING To those troubled with the fears, tensions, and anxieties of modern living, Christian Science offers new hope and healing.

and healing.

"Men and women in all walks of life have found that spiritual understanding of God and man, as revealed in Christian Science, enables them to solve the pressing problems of daily life more successfully. They are proving—many to a remarkable degree—that Christ Jesus' method of overcoming sin, sickness, and lack is completely practical today.

Learn what this can mean for you by attending this free lecture entitled:
