THEY SAID "IT WAS SHOCKING!"
 That an independent market could meet or beat so called "super chain" prices! We are quoting some of the folks who have visited our store for the first time during this strike or "lock out" of the chain markets. Those shoppers who have made a habit of going to these stores are finding our prices are equal or lower! Treat yourself to **REAL SAVINGS** plus **S&H Green Stamps** at **WESTERN FARMS!**
