Midshipman Thomas L. Carter, son of Mr. and Mrs. Allen D. Carter of 3256 Dalemead St., Class of 62, has been ap pointed to the Superintendent's List at the U.S. Naval Academy, Annapolis, Md., for scholastic activation and the superintendent's List at the academic year 1958-59, it was announced today.

The List is similar in many ways to the Dean's List at many colleges and universities. In order for a midshipman to be so honored, he must meet a minimum academic average of 3.3 (82.5%) in his studies, have a mark no lower than 3.2 (80%) in aptitude, and possess a conduct standing satisfactory to the Commandant of Midshipman.

Those who achieve the distinction of making the Superintendent's List are granted special privileges commensurate with their class for the succeeding term. This also creates among the midshipmen an increased interest in doing well and taking deeper pride in their work.
