Hey Kids!  
**FREE FIRE ENGINE RIDES**

**FUN HERE SATURDAY THRILLS**

10 A.M. TO 4 P.M.  
"OLE MAUD"

"Ole Maud" has been called back to duty again! Its mission is to educate children in fire prevention and to entertain them with a ride on this, a real, honest-to-goodness horseless carriage fire engine complete with red lights, siren and full fire-fighting equipment. "Ole Maud," a 1917 Seagraves Fire Engine, was purchased by the city of Oxnard, California, and it served the city well for 40 years. The well preserved antique will be giving children free rides all day Saturday.
