## **Model Congress** To Appear TV

Youthful senators and representatives from the Model Congress at Riviera Elementary School will appear on television next Wednesday on "Assignment Education." The program appears on Station KCOP, Channel 13, at 2 p.m.

KCOP, Channel 13, at 2 p.m.

Twenty students from the eighth grade classes of Mrs. Irma Wilson and Ronald Hall will journey to the station to become TV stars. The classes take set up a government just like that in Washington, and the young senators and representatives debate many of the same bills that their elders discuss.

They held a mock political convention last January, naming Bill Moss as president and Rickie Robbins as vice president. Through actual practice, the students become experts on how American government vorks. They write to many prominent figures for information and on the walls of their room proudly display letters from such notables as Sen. Lyndon Johnson, Sen. Hubert Humphrey, Sen. Alexander Wiley and others.
