7-8th Grade Pupils Plan Entire City

As part of their study of government, seventh and eighth graders at Steele Elementary School are making—and re-making—the world to suit themselves.

Scott Gray's class has decided to secede from the humdrum world and is laying out an imaginary island. They studied various forms of government to determine the best kind. Their choice of governments? One similar to that of the United States.

Torrance is under study in Philip Korman's class, which is comparing the functions of local government with those of country, state, and national governments.

A new city is being born in Al Phelps' class, which sought the best form of city government possible. Their choice? A city manager type, similar to that of Torrance.

ALL THREE classes have created models on large plywood sheets, and are basing their studies of different types of government around these models. They are studying various ways by which governments are formed, the various types, and the advantages of each type of government. Some

Dinner Dance

Delta Gamma chapter of Epsilon Sigma Alpha sorority will hold a dinner dance at the Palms restaurant on May 23. Three husbands of members, John Lynn, Vance Anable, James Stein will receive recognition pins. Their wives became full fledged members at a jewel pin ceremony on May 11.

students have written to national, state and local officials to get their views.

In each class, officers have been elected for the various types of government, and students actually study the problems of each office.

"We've got some real experts on government now," declared Principal Roland Petrat.

. . . Lt. Gov.

(Continued from Page 1)

you wanted. And I believe you made real progress as a result of that visit."

Specific and recent information on progress on the San Diego freeway in the local area was emphasized by the speaker.

"I have been concerned personally, along with you, about the acquisition of rights of way in three areas — Imperial to Rosecrans; Rosecrans to Hawthorne Blvd; and Hawthorne to the Harbor freeway. The figures and dates concerning these areas were secured this morning from the State Division of Highways.

1 Imperial to Rosecrans
54% of the total parcels required have been appraised.
50% of the total parcels required have been purchased.
Approximately 2½ million dollars have been expended.
The estimated date for acquisition is November, 1960.

2. Rosecrans to Hawthorne Boulevard
25% of the total parcels required have been appraised.
15% of the total parcels required have been purchased.
Approximately \$640,000 has been expended.
The estimated date for acquisition is November, 1960.

3. Hawthorne Boulevard to Harbor Freeway
48% of the total parcels required have been appraised.
32% of the total parcels required have been purchased.
Approximately \$1,130,000 has been expended.
The estimated date for acquisition is February, 1960.

"IN SPITE OF some frustrating delays, and difficult individual circumstances, I think we've reached a point where we can see over the top of the hill on the San Diego freeway. We all have a right to feel a little bit proud of the way it's been coming along," the official concluded.

"Avalons" in Free Hospital Concert

Music described as "sweet and smooth" is in store for those who attend a concert at 8 p.m. Thursday in the Harbor General Hospital auditorium, to be given by The Avalons.

A varied program has been selected by the orchestra featuring Kenneth Haar, trumpeter, and the concert is open to members of Harbor Unit of Local 347 AFL-CIO, BSEIU and their friends. Admission is free.

Recently organized, the band has won wide acclaim in numerous appearances including the recent Wilmington "sing." In addition to young Haar the band is made up of Paul Rosa ad Don Hall, tenor saxophones; Helen Spence, piano; Glenn Moore, bass; Terri Hunter, Shap Kimes and Joe Ratliff, alto saxophones; Pat Ngoho, rhythm and clarinet; Jim Simpson, trombone; Jerry Hall and Bob Ryan, trumpets; Ronnie Blanchard, drums, and pretty Bonnie Brandell, vocalist.

Gibson to Lead Union Delegates

William Gibson of Torrance, president of Local 9506 Communications Workers of America, will lead a delegation elected by fellow workers to the annual convention of the national organization to be held the week beginning June 21 in Cleveland, Ohio.

Other delegates elected Thursday at the regular monthly meeting in Compton were James Trent of Southgate and Donald DeKay of San Pedro. The annual convention is the supreme policy making body of the union which is said to employ completely democratic procedures in its self government.

SEEK LEGION OFFICE . . . Stan Helman (left) and Ed Loehnis are seeking offices of vice-commander and commander, respectively, of Torrance Post 170 at an election to be held Tuesday evening in the post headquarters. Loehnis, a city of Torrance employee, has served during the past year as second vice-commander and is credited with taking a leading role in activities of the post. Helman has been an active member of the post for the past ten years.

WHAT'S DOING

R. S. Pyle, your Telephone Manager in Torrance

Will you be looking for interesting programs for your club or church meetings next fall? Here's a suggestion: We have a big selection of entertaining films, and we're happy to let your group borrow them. They range from short, 10-minute features to hour-long color films of our great TV science shows, like Our Mr. Sun and The Alphabet Conspiracy (scene above). If you're interested, just give us a call here at the telephone business office, and we'll be glad to help you. Do it now, while films are still available for most dates next fall. No charge, of course.

Nevada-6 prefix telephone numbers in Torrance will change to SPruce-5 numbers in September, Dick Pyle, Pacific Telephone manager, announced this week.

The change is being made because of increasing demands for Los Angeles exchange service in the Harbor area, Pyle explained. New equipment will be added to that now in use.

Los Angeles exchange service in Torrance, Lomita, Wilmington and San Pedro is identified by the Nevada-6 number. The new SPruce-5 number will be served from the central office at 1418 Broad Avenue in Wilmington.

More than 800 Nevada-6 telephone users will be affected by the change.

New SPruce-5 telephone numbers will be mailed to local customers prior to the change of prefixes. FAirfax telephones in Torrance will not be affected by the number change, he said.
