# Torrance Voters to Visit Poll Three Times By June

Torrance voters will go to the polls three times this spring, casting ballots in the city elections April 8, school elections May 20, and the direct primary elections June 3, City Clerk A. H. Bartlett reported yesterday.

Registration of voters for these elections are now in progress and will continue through Feb. 13 for the city elections, March 27 for the school elections, and April 10 for the primary, Bartlett said.

The closing day for registration of voters is always the 54th day prior to the day of the election, he explained.

Who Should Register Six classes of persons should register or re-register for the elections:

1. Those who have changed their addresses since they last registered.
2. Those who have changed their name since they last registered.
3. Those who desire to change their political affiliation.
4. Those whose registrations were canceled because they did not vote at either the district primary or general election in 1956, and who have not re-registered since the cancellation.
5. Those who have become of age and have not registered.
6. New residents of the

county who will have the required qualifications by the date of the election. These qualifications are:

#### Voting Qualifications

- a. One year's residence in the state.
- b. Ninety day's residence in the county.
- c. Twenty-one years of age.
- b. A naturalized citizen must have been a citizen for at least 90 days prior to the date of the election, and must show his naturalization papers to the deputy when registering for the first time.
- e. All voters must be able to read the English language and sign their name, and must not be disqualified to vote by

reason of a felony conviction.

A list of deputy registrars, many of them in private residences throughout the city, can be obtained from the city clerk or persons may register at the clerk's office in the city hall.
