

Six Teachers Of El Camino At Conclave

Six representatives from El Camino College participate in the annual midyear conference on good teaching Friday and Saturday on the campus of the University of Southern California.

The six included Miss Marvel Doyle and Mrs. Marie Mitwer, English instructors; Dr. William H. Harless, director of instruction; Willis Weber, assistant director of instruction; Richard T. Haley, mathematics instructor, and Dr. Jack Martin, business instructor.

Haley, president of the Southern Section of the California Teachers' Assn., greeted visiting delegates who represented schools throughout all of Southern California. The El Camino instructor served as master of ceremonies at the Friday evening banquet at the Town and Gown Club.

Dr. Martin, executive secretary of the Southern California Junior College Assn., has been active in planning the program with other educational leaders of the Southland for the past several years.

Also an active participant, Dr. Harless served as leader of a discussion group.
