TV Advertising

TV Advertising Many people write to me about objectionable radio and television advertising. Some of them suggest that we enact State laws regulating what can be said and done, but others realize that this is pri-marily a field for federal legis-lation end control and est me 6 lation and control and ask me what they can do to get the federal authorities to clean up

the programs. I must tell those who want the State to take control that the state to take control that practically all radio and televi-sion programs are interstate, that is, the transmission goes across the border of California, hence the State of California to must reliable to the state of California to t must relinquish regulation to
