O

0

oF r* he

You've settled down for the night. The streets grow quiet. Life comes to a gentle halt. But in the darkness a few lights still gleam. Among them, those in your telephone building. For your phone is very much awake and we're standing a night watch behind it. Operators are ready to handle any call. Testmen are alert to any sign of trouble. And cable "doctors" like

Working together

to serve you better

Herb Stettler and Joe Smith, top picture, are ready to take care of telephone life lines that tie you to hospitals, police stations and such. Every second of every day and night, 365 days and nights a year, phone people are watching after your service. It's another way we are constantly working to bring you dependable telephone service.
