Asked whether the fact that sional children go to college, while 26 per cent of factory workers and unskilled laborers children do.

Robert Plomert, representa-

Robert Plomert, representative of the Torrance Industries
Tax Committee, expressed his personal thanks for the presentation of the group and for their "refreshing outlook and interest." Dr. Joseph Bay, TEAC moderator, presided at the meeting.

Assistant Superintendent Albert Posner said the strength of the schools' program is that everybody gets together to decide for the child, Planning for the child's future, he said, is done when the child enters school and is constantly evaluated "as all good scientists try to do."

The schools, he said, have a broad subject matter, providing for the gram has been conducted on Saturday mornings, but is now included within the Survivors included survivors included schools tudent, who placed second in the National Merit Scholarship competition.

Larry Kopp, South High George Siofletea, all of Runiece, Mary Gral Glenburn Ave.

School student, described a seminar for top students at SHS. in which students have exployer various subjects in more advanced fields including science and the humanities.

This program has been conducted within the School day. Study is being given to expansion of the program presented Some of the top students and for the handicapped as well as the physically able.
