### **EVANGELIST** TO SPEAK AT SERVICES Youth Evangelist Earla Mc

Kinley will speak twice Sunday night at the Torrance Four square Church, corner of Arlington Ave. and Sepulveda Blvd.: first in the Chape Hour (young people's service) at 6:15 and again in the evangelistic service which follows at 7:15 p.m.

Rev. McKinley began preach-

ing at the early age of 10 years and has been a much sought after youth speaker for e past 18 years. Well known in Full Gospel

circles she has spoken in many of the largest churches across the country as well as at youth rallies and camps. Part of Miss McKinley's appealing message is her pianologues — stories with piano background. Rev. James P. Lowen, pastor

of the local church, recognizing with others the need to challenge youth to a better way of life feels that the pre-sentation of the gospel by Earla McKinley will impress all those who hear her.

### Class Slates Discussion By Members

# PLYMOUTH SAVES YOU MONEY ON GAS... MOBILGAS ECONOMY RUN VICTORY PROVES IT!

New "Fuel-Saver" Choke that helped clinch title stance-one of the most important factors in Plymouth's 4s standard equipment on all Plymouth V-8s

Pound for pound, Plymouth uses less gasoline than either of the "other two" cars in the low-price "3"! This was proved beyond doubt when a 1958 Plymouth V-8 was officially declared winner of the low-price car competition in the 1958 Mobilgas Economy Run. Plymouth's competitors also entered cars with 6-cylinder engines (supposedly more economical) but Plymouth beat every car in its class—V-8s and 6s alike!

dere V-8 with TorqueFlite Automatic Transmission that you can buy right off your Plymouth dealer's floor.

These tests prove that every Plymouth has built-in economy features not found in the "other two". For in-

This title-winning Plymouth is exactly the same Belve-

at no extra cost on all Plymouth V-8s. This ingenious device employs a triple-stage vacuum piston and a new thermostatic element to reduce the amount of fuel you use in warming up the engine. So it can save you even more on short-distance drives - the kind most people make. Among the many other savings Plymouth gives you is the \$140 you save on standard-equipment Torsion-Aire Ride. The "other two" charge up to that much extra for

their best suspension systems. So if you are dollar-conscious, bester hustle over and talk terms and trade with your Plymouth dealer. He wants your business, and he'll go all out to get it!
