DAIRY MONT.i... June is Dairy Month, and representatives of the California dairy industry have chosen Sally Ann Blaine to be the 1958 queen. She will reign over the month-long salute to the 50,000 dairymen and 121,000 milk cows whose combined efforts and output have made Southern California the nation's largest milk-producing area. June will be Dairy Month in Torrance, too, when the city council holds a public hearing June 10 on a proposed ordinance to outlaw dairies in the city.

The beauty of our Country and the ideals for which it stands is awe-inspiring. On this MEMORIAL DAY, let's pause in tribute to our war-dead who have made it possible for us to continue to live in a land that's free. We must not pause for a single mement or falter in our efforts to preserve the privileges for which they died . . . VERMONT DAIRY FARMS.
