POPULAR SCIENCE:

"In the opinion of the writer, the Hillman—at the price—probably is the best buy among the more popular foreign cars selling under \$2,000.

CAR LIFE:

The Hillman 4-Door Estate Wagon's "combination of Americanized styling, ample performance and elegant comfort gives it Car Life's BEST BUY AWARD."

MOTOR TREND:

"An excellent choice as a small car for the one-car family. More power from a sturdier engine . . . speed and acceleration to cruise easily at highway speeds. Durable, service and parts facilities readily available. Doors close solidly and unit construction body should remain rattle-free. Even six footers can find leg room to ride comfortably."

MOTOR LIFE:

"The four-speed floor shift is a little gem. Economy . . . good in all types of traffic and driving conditions. Should have wide appeal with those interested in smaller initial cash outlay."

SPORTS ILLUSTRATED:

"For value we pick the Hillman Husky (\$1,685.) as a utility car."

Now . . . visit MANHATTAN MOTORS for a test drive. See for yourself that Hillman has the most power and acceleration in its class, ample room for you and your family, and trunk space for vacation luggage, too. Five models to choose from: 4-door sedans, sports convertibles, 2- and 4-door station wagons . . . from \$1,685.
