### Modern Dance Classes to Offer Varied Activities

The call is out from the Torrance recreation department for all those interested in modern dance.

"The program is going into its third summer with many interesting activities ahead," says Mickey Van Deventer, director of last summer's program. Plans are already under way for the big Aquacade July 25 and 26, bandshell programs in Torrance Park, and various special programs at the Civic Auditorium.

The Open House show at the Civic Auditorium Aug. 22 will climax the summer, featuring a dance demonstration and a musical number. Miss Van Deventer will be joined this summer by Judith Weiss, a dance student at USC.

### High Honors Given Coed

Graduating with highest honors from Wilson High School, Long Beach, June 18, was Miss Risa Selover, daughter of Frank S. Selover, executive secretary of the Harbor Area Employers' Council, Torrance, and Mrs. Helen C. Deck, of Long Beach.

Miss Selover was valedictorian of her class of some 200 seniors, having received all "A" grades, except one, throughout her high school career. Additionally she was chosen the outstanding senior for Walt Disney's Salute to Youth, and received the scholarship award of achievement from Belmont Shore Lions Club, and the Long Beach Rotary Club award as top scholastic student.

While residing in Torrance, Miss Selover attended Fern Avenue School. She will enter Redlands university in the fall.

empty the ashtray after each cigarette. What do you care? But by all means react against the house-chipper routine. No man should be required to remove his shoes upon entering a home—unless he works in a bath or happens to be visiting friends in Japan.

Dear Ann: How does one go about meeting a man like "The Colonel" who wrote to you recently?  
My first husband died young. My second was a well-camouflaged rotter. For the next five years I was too disillusioned to become interested in anyone.

I've never been one to go harrassed to places "where people meet." Only by sheer luck would one find a worthwhile companion in a cocktail lounge. Chastities have gone all out for "The Family Spirit." At women's clubs I just meet more women. How about some advice to get me out of this rut?—G.G.

The only difference between a rut and a grave are the dimensions. Put yourself in new situations where you'll see new faces. Join an adult education class. Take up boating, golf, horseback riding, skeet-shooting or stamp collecting. Call the library and look into American Heritage or Great Books courses. Join the Grey Ladies for hospital visiting. Affiliate with a political group—next year is going to be a hum-dinger! Don't just sit there. DO SOMETHING!

To learn how to keep your boy friend in line without losing him, send for ANN LANDERS' new booklet "Necking and Parting—and How Far To Go," enclosing with your request 20 cents in coin and a large, self-addressed, stamped envelope.  
Ann Landers will be glad to help you with your problems. Send them to her in care of the HERALD and enclose a stamped self-addressed envelope.
