Representatives Of Civic Groups Join Realtors

Representatives of industry, local government and the Chamber of Commerce are planning to join realtors from the Torrance-Lomita area at an all-day industrial conference...

Through these conferences realtors, property owners, industrialists, Chambers of Commerce, boards of trade and city officials are brought together to share each others' experiences and to study the pattern of successful industrial parks...

Harry Bowker said that chairman of the event, Arnold Dahl, will present an illustrated lecture on the planning and growth of an industrial park...
