### Girls' Softball League Sparked By Esabs' Win

In the first game of the double header in the Girls Softball League played Tuesday night at McMaster Park, the Esabs finally won their first game.

The Esabs in winning 14-5 took a commanding 7-0 lead in the first inning and scored 7 more in the third. The Devilettes made it close at the top of the third when they scored 5 runs, but just couldn't get enough hits off of Kathy Fisher to go ahead. She gave up only two hits, while the Esabs were collecting 13 from losing pitcher Kathy Reed. The big hitter for the Esabs was the hustling catcher, Sharon Cheek, who hit a single and a home run.

The second game saw the Vickers Queens climb out of the cellar by knocking off the Raiders 14 to 8. The winning pitcher was Ellie Mohn. She was helped by the batting of Kay Booth, center fielder, hit a single and a home run.

In a single game played at Waveria Park on Thursday night, the Vandals defeated the last-place Spartettes 21 to 6. The Vandals pulled away on two home runs by Marsha Post, catcher, and Cynthia Zoor, right fielder. The Spartettes collected their share of the round trippers, when Mizzi Yoshioka and Ann Theibald connected in the second inning. The winning pitcher was Dot Nelson and the loss was charged to Linda Boyer.

### STRENGTH

...the big reason **Builder Don Kemp is an American Saver**

Builder Don Kemp, 855 E. Philadelphia, Whittier, admits that a high rate of interest and insurance up to \$10,000 on every account were important considerations in his selection of a place to save, but he explains the big reason he chose AMERICAN SAVINGS was its strength. Following are his reasons for deciding that AMERICAN SAVINGS and Loan Association is one of the strongest in the nation: \$150,000,000 in Assets—one of the nation's 50 largest. \$14,000,000 in Reserves—far above Federal requirements. Founded 1920, uninterrupted interest payments for 32 years. 60,000 Accumulations—many accounts active over 20 years. If you—like Builder Kemp—want to know there's real strength where you save, drop in at one of AMERICAN's nine offices nearest you, or simply write.

Interest paid quarterly—4% current annual rate
