

Rabies Clinic

A rabies inoculation clinic will be held Friday, 7 to 9 p.m., at El Retiro Park on Pacific Coast Hwy.
Dog licenses were due as of July 1, and dog owners can have their pets inoculated for a small fee at the clinic. Dogs must be on leashes, accompanied by an adult.
The clinic is sponsored by the South Bay Veterinarians Assn. and the South Bay Humane Society.
Also, the same time, a clinic will be held at the north entrance to Redondo City Park, on Pacific Ave. and Torrance Blvd.

Hula Dancers Slate Show

A program of authentic Hawaiian dances will be presented July 28, 2 p.m. to 3 p.m., in the bandshell at Torrance Park.
Arrangements for the admission-free event have been made by Mrs. Norma Soriano, local dance teacher known professionally as "Huanani."
Mrs. Soriano has recently opened a Torrance studio and is teaching hula dancing. Appearing on the show will be a group of her performers who have entertained members of the armed forces and at veterans hospitals.

NEW OFFICE TO EMPLOY TEACHERS

A Harbor area employment office for the convenience of local residents who wish to apply for teaching positions with the Los Angeles City School System is now in operation, it was announced today by Associate Superintendent William B. Brown, head of the system's personnel division.
"Opening of this office gives Harbor residents a convenience not previously available by providing a location for interviews, examinations, and information."

Take Common Sense Along On Vacation

Use a lot of common sense driving on your vacation trip advises the California Highway Patrol.
"Vacation time too frequently includes last minute preparations and problems delaying departure and inspiring excessive speed and chance-taking in an effort to make up lost time," declared Patrol Commissioner B. R. Caldwell. "The violations you make trying to gain these can lead to a sudden, shocking ending of a pleasant vacation."
The following tips are worthy of your consideration as you plan your 1958 vacation trip by car:
1. Obey all traffic laws, signs, and signals.
2. Schedule your driving time to allow for ample rest each day.
3. Load your car properly and avoid blocking of vision while driving.
4. If you use a trailer, remember the speed limit is 45 miles an hour for a vehicle-trailer combination.
5. Do not mix alcoholic drinks with your driving.
6. Do not try to make the return trip in one long jump—keep in mind that many accidents occur to drivers who are fatigued or sleepy and within a few miles of home.
7. Drive at a reasonable and steady speed, staying in the right-hand lane except when overtaking and passing, and stopping occasionally for stretching.
8. Use headlights, not parking lights, as driving lights.
