STRENGTH
 . . . the big success builder
 Don Kemp is an American Saver

Builder Don Kemp, 298 E. Philadelphia, Whittier, admits that a high rate of interest and insurance up to \$10,000 on every account were important considerations in his selection of a place to save, but he explains the big reason he chose AMERICAN SAVINGS was its Strength.

Following are his reasons for deciding that American Savings and Loan Association is one of the strongest in the nation: \$150,000,000 in assets - one of the nation's 20 largest; \$14,000,000 in Reserves - far above federal requirements; Founded 1920, uninterrupted interest payments for 38 years; 60,000 Accountholders - many accounts active over 30 years.

If you - like Builder Kemp - want to know there's real strength where you save, drop in at one of AMERICAN'S nine offices nearest you, or simply write: *Interest paid quarterly - 4% current annual rate*
