A REMINDER!

As you know, postage rates are going up on August 1st from 3¢ to 4¢. We would like to take this opportunity to remind all our customers who mail their bill payments to us to be sure to put 4¢ postage on the envelope.

Since there is a penalty of 5¢ on all letters in which there is insufficient postage, and since we receive approximately 1,350,000 mail payments each month, you can see that a shortage of postage on these payments could amount to quite an expense for us.

Our sincere thanks to you for keeping this increased postage rate in mind. PACIFIC TELEPHONE
