10 WAYS YOU CAN SAVE \$1000 A YEAR

- |  |  |
|--|--|
| 1—Lowest depreciation of any car.                    | 6—28 to 40 miles per gallon of gas.                  |
| 2—Highest resale value in the world.                 | 7—30,000 miles of tire life.                         |
| 3—Immediate delivery instead of 3 to 6 months.       | 8—You only buy 7 pints of oil every time you change. |
| 4—Highest price paid for your used car.              | 9—All parts available at local prices.               |
| 5—Use regular gas instead of high priced premium gas | 10—Owners report 90,000 miles without major repair.  |
