Beach City Mayors Join Isen in Pat Brown Salute

Mayor Lee Center of Redondo Beach and Mayor Edward J. Edwards of Hermosa Beach will join the committee welcoming Attorney General Edmund G. "Pat" Brown to the South Bay area and a Hawaiian luau on Aug. 30th, according to an announcement released this week by Mayor Albert Isen of Torrance, general chairman of the event.

Attendance at the reception and Hawaiian luau to be presented at the Polynesian restaurant will be by reservation only, but it is open to the general public. This may be the only opportunity, said Mayor Isen, "for a representative group of voters in this area to meet 'Pat' Brown, a candidate for governor of California in the November election."

The demand for tickets to the reception has been substantial enough to prompt Isen to

name additional residents of the Torrance and South Bay area to the "reservations" sub-committee. The new members are Bert Lynn, Robert Burke, Jim Thompson, and Dick Floyd of Torrance; William Peake, Louisa Eric Rafter, Hermosa Beach; and George E. Gordon, Jr. of Redondo.

Requests for reservations from the Palos Verdes and Hollywood Riviera area, according to Joseph Platt, public relations chairman, will be accepted by Trudy Owens, 48th Assembly District coordinator.

First Airport Day Set for Sept. 6th

Torrance's first Annual Airport Day will be held on Saturday, Sept. 6. It was announced today by Co-Chairman J. D. Thomas and Jack Egan. Events are scheduled from 9 a.m. to 3:30 p.m. with no admission charge.

Highlighting the event, which is being sponsored by the aviation committee of the Torrance Chamber of Commerce and the Torrance airport commission, will be a Handicap Trophy Dash for single engine planes from Torrance Airport to Palm Springs and return. Air Events Chairman Joe Doss said this will grow to one of the Southland's finest races due to its selective character.

OTHER EVENTS will include the appearance of three bands: Fort MacArthur, March Air Force Base, and the Torrance Area Youth Band. Several displays of military and civilian aircraft will be featured. The Nike Base will be open for public inspection as well as the new Ryan Aeronautical Plant which is now in production of the "Firebee" Drone.

A special luncheon for city officials and visiting dignitaries will be hosted by the Nike Base under Captain Daniel T. Mahoney, Commanding Officer.

Chamber President Fred Mill, said efforts are being made to attract some film dignitaries.

Rose Parade Entry Funds Reach \$2000

Torrance's entry in the 1958 Tournament of Roses Parade is assured due to a successful Racehorse Day celebration, according to President Fred W. Mill of the sponsoring Chamber of Commerce.

Mill said that, although all receipts are not in, it appears that at least \$2000 has been raised toward the float. Last year's entry cost \$4700 and won a third-place prize.

Councilman George Bradford is in charge of fund raising and Mrs. Victor E. Benstead, Jr. is chairman of the decorating committee. Both held a similar post last year.

Mill said his organization is strongly opposed to the use of taxpayers funds from the city's general fund to pay for the entry.
