DR. PEALE TO ADDRESS REALTORS' CONVENTION

Dr. Norman Vincent Peale, famed author of "The Power of Positive Thinking," and minister of the historic Collegiate Church in New York City, will be principal speaker at the 54th annual convention of the California Real Estate Assn. in San Francisco Nov. 6 to 8. It was announced here yesterday by Harry Bowker, president of the Torrance-Lomita Board of Realtors.

"Dr. Peale, with his inspirational message, and Red Moley with a down-to-earth talk on selling will make this one of the finest programs in the history of the CREA."

Arrangements for the convention are being made under the direction of Clive Graham of Long Beach, president of the CREA. Reservations are now being made for the annual affair.

A large delegation of Torrance and Lomita realtors are planning to attend the convention at the Sheraton-Palace Hotel, Bowker said.

Other outstanding speakers include Arthur H. "Red" Moley, president of Parade Publications, Inc., a Sunday picture magazine supplement.

"WE ARE certainly fortunate to have two of the most popular and sought after convention speakers in the nation address our convention," Bowker said.
