Jane Greer to Cut Huge South Bay Birthday Cake

Motion picture actress Jane Greer, currently co-starring in "Man of a Thousand Faces", will be on hand Friday to cut the world's largest cake, the giant being baked for South Bay Center's first Birthday Party, this week end.

The cake will be on display Friday and Miss Greer will formally do the cutting at 3 p.m.

The cake itself will measure 10 feet high and weigh 1500 pounds. At the base the cake will encompass 8 x 10 feet.

Greer's pictures include: "They Won't Believe Me", "Out of the Past", "Stations West", "You're in the Navy Now", "The Clown", "You For Me", "Desperate Search", "Run for the Sun" with Richard Widmark, and the aforementioned "Man of a Thousand Faces", the life of Lon Chaney.

ORIGINALLY signed by Howard Hughes, with whom she remained for a year before going to RKO, Miss Greer first starred in "They Won't Believe Me" with Robert Young and Susan Hayward, followed by "Out of the Past" with Robert Mitchum. Among others stars she's appeared with are Gary Cooper, Dick Powell and Peter Lawford.

Area for Lomita Civic Center Set

Definite boundaries for the proposed Lomita Civic Center were set Tuesday by Robert B. Heuer, head of the County Real Estate and Property Management Department.

At the request of Chairman Burton W. Chase of the Board of Supervisors, Heuer conducted a study of the County's projected seven-year needs so that the owners of property near the site could be definitely advised of the County's intentions.

Property which Heuer recommends be subject to condemnation is comprised of approximately 4.8 acres located east of Narbonne Ave. and south of 242nd St.

The report recommends that Lots 13, 14, 15 and 16 ultimately be acquired in their entirety and that "any prior thought of acquiring lots 9, 10, 11 and 12 be abandoned."
