Free Adult Classes Open Sept. 15, Principal Says

Free classes for adults 18 years of age or older will start the week of Sept. 15, announced Victor Kilburn, principal of the Torrance Evening High School. Enrollment will take place with the teachers in the classrooms at the time and day for which classes are scheduled. A 50-cent incidental expense fee for the entire school year is payable upon registering.

Day and evening classes for adults offered by Torrance Unified School District include academic requirements for a high school diploma, business training, home economics, arts, crafts, shop classes, and classes in English for the foreign born.

THE TORRANCE BOARD of Education has authorized the use of the General Educational Development tests (G.E.D.) for veterans and non-veterans as partial requirement for earning a high school diploma. Last year approximately 2100 adults attended one or more classes. Over 400 enrolled in classes leading toward a high school diploma of which 133 were graduated in June.

STUDENTS WISHING high school credit, who have not previously completed registration forms, should contact the Adult Education Office, located at Torrance High School, prior to enrolling in classes. This office will be open from 9 to 4:30 during the first two weeks of September for those registering for credit or who have questions concerning their programs. Students who do not desire high school credit, or who have been registered previously need not register in advance, but should report to classes for enrollment.

For further information about classes, registration, or the G.E.D. tests, telephone the Adult Education Office at Torrance High School, 2200 W. Carson St. Schedules of classes are available upon request.

Exciting exhibitions in English, Western, Hunter and Juniper classes are planned with top junior riders participating. Bronze trophies will be presented to winners with ribbons to eighth place in all events. Spectators are welcome to attend, according to Helen Cobham, show secretary.

Make These 3 Choices and you'll be HOT WATER HAPPY shower after shower after shower!

1. Choose GAS!
Gas heats water three times faster... easily keeps ahead of the demands of automatic washing machines, dish washers and growing families. Get costs less, too.

2. Choose Right Size!
Your plumber's approved sizing chart shows the proper size automatic gas water heater for your family. Don't buy an inadequate heater. It overheats... won't heat as long. And serves you as well as the right size heater.

3. Choose Quality!
One good way to select a quality gas water heater... that won't rust is to make sure it carries the "Berkel" Long Life Seal. Make sure... or send one of 18 year inspectors which you prefer.

It's a way to buy a new Berkel gas water heater. You can see your plumber. All the details he needs are in the telephone. You may even arrange convenient sales, credit and financing with our Star telephone.
