**WILL THE NEW HOME YOU'RE BUYING OFFER THESE 4 GUARANTEES?**

(Every Medallion Home does... yet costs you no more!)

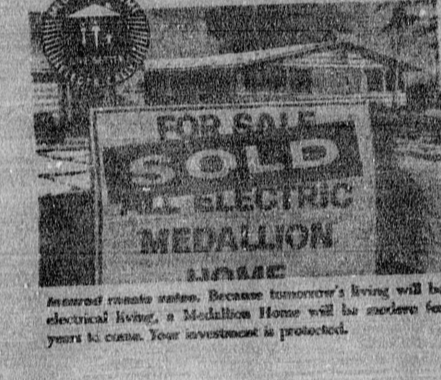

**Medallion Home Guarantee #1**  
 Basic electric appliances already built in. They're part of the original house plan—not out-of-pocket extras. They're placed to afford you a maximum of electrical convenience.

**Medallion Home Guarantee #2**  
 Provisions for proper lighting. Eye-saving lighting that is both decorative and functional—carefully placed and located when and where you need it.

**Medallion Home Guarantee #3**  
 Ample wiring for present—and future—needs. Plenty of housepower to accommodate today's appliances plus those you'll want tomorrow. The wiring is already in and paid for.

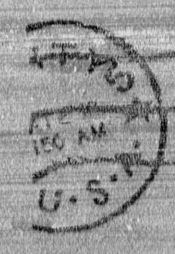

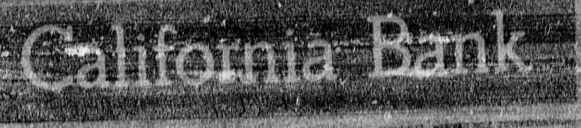

**Medallion Home Guarantee #4**  
 Interest rate rates. Because tomorrow's living will be electrical living, a Medallion Home will be modern for years to come. Your investment is protected.

No other home at comparable cost can offer the advantages of a Medallion Home. Two out of three homes being built today are electrically obsolete the day you move in. Yet it costs you no more to own a Medallion Home—a new home awarded the Medallion symbol by your local electric utility. This is your guarantee that it is ready today for tomorrow's high standard of electrical living. Loan agencies state that homes equipped with Medallion provisions stand little chance of losing their value due to obsolescence. Before you invest your money in any home, drive out to see one that has been awarded the Medallion Home symbol. See how practical it is to live better electrically.
