

Veterans Lacking at North High

With the graduation of 12 seniors and only three first stringers returning to North Torrance high school's football squad Coach Bob Shoup is busy grooming his squad for their opener with Warren high school.

Ends Chuck Webb and Dennis Berry, and Captain Ernie Thomson, fullback, are the only returning veterans.

Line Coach Ed Levy is in fair shape with a good quota of linemen reporting and George Morgan, Paul Shaffer and John Simpson, striking for the pivot position.

Dick Bybee at Ed Jauron are good bets for the guard positions while Dave Christensen, George Poutta, Steve Harper, Dan Chadwick, Mike Henderson and John Sibley are all fighting for tackle berths.

REGULAR CHAMPS... The Downtown Torrance Lanes bowling team won the 1954 International Councilors Trophy in competition with 94 other teams. From left: Frank Fogar, Robin Smith, Paul Karsam, Milton Howell and Sam Van Wegner.

Boosters Club Ready to Open Fall Activities

Opening of school today is the signal for the Torrance Boosters Club to renew activities for the season. It was reported by officers of the group here yesterday.

Kick-off meeting was held Monday evening and plans for the coming year discussed.

The nonprofit organization was formed to help students at Torrance High in all types of extracurricular activities—ranging from sports to drama.

"It has been proven that parent participation is our greatest asset," a Booster spokesman said.

A call for return of the membership cards and dues mailed out earlier this month to former members of the organization has been issued by club officers.

TORRANCE TRICE... Three "Indian" gave a preview of Indian Summer Water Ballet, part of the Torrance Recreation Department's Water Show to be held at the municipal pool Saturday and Sunday night, at 7. Hostesses are Tommy Hummer, Barbara Bellow and Lin Ehlers, all life guards. (Harold Pines)

Keplers Cut Loose in True Form As Winter Bowling Season Opens

Billy Magliano, Los Angeles All Star and instructor at Scheiber's 40-lane Torrance bowling palace, cut loose with a true-to-form 187-242-241-670 set during Friday night's Kick-off of Bowl-O-Drome's 800 Classic to head the list of high average keplers into the first round of the winter loop with a whopping 225 average. Al Coast, ending the summer's 876 with a powerful 202 for the 50-game route, settled for a 616, highlighted by a scintillating 247 smasher. Coast, Bruce Boswick, Norm Peterson, Ray Reese and Joe Kling of the No. 1 squad produced a terrific 891 for their first game, winding up with 2802 series, setting both game and series high for the opener. Bowl-O-Drome's highest ranking torpin addicts swing into action every Friday at 9 p.m. with house records expected to be tossed out the window during the winter's torrid league competition.

MARY'S COLOR EAR eased across the finish line in Friday night's Ladies' 740 Scratch, copping the winner's trophy 7 1/2 games over second place Shock's Hardware. Alice Garner of the Trading Post quietly latched onto individual high game award with her 253 corker, wrapped up a few weeks back while Dolly Cone, Martine Cafe Kegler, came through with a potent 815 set, the last night of league competition for the season's high series. Gals kick off the winter loop Friday, 6:30 p.m.

Water Show Will Be Presented at Torrance Pool

On Sept. 13 and 14 the Torrance Recreation Department "puts the plug" with a colorful all water show at the Victor E. Benstead Plunge. The theme of this spectacular is "Indian Summer."

The acts include canoe jousting with Leo Nelson, Ken White, Jesse Perez and Tom Hummer; a swimming exhibition featuring Judi Rynhart, Chris Wallace, Barbara Sebeck and many others; diving exhibitions with Allen Dell and Larry Miller; clown diving events with Phil Schull, Gary Rickard and Jack Rowndley, a water ballet with four Indian maidens Lida Davis, Maunda Cepps, Linda Schoon, Nancy Bobardis, Nancy Hornbeck, Carle Osgood and Sharyn Paster, and scores of other events.
