The Chateau Corp. builders. These units are the only multi-unit ultra-modern apartment dwellings in Harbor City. The units in the area are proud of their swimming pools, accord the eight buildings completed by John Kovanda, president and located in Harbor City of the Chateau Corp.

Tom Mathews, secretary of the contracting and building group, said his company feels it has awakened this city with a building boom and that it had a big demand for more than 10 years.

One of the corporation's latest apartment units is located at 1347 W. 253rd St., Harbor City, where Peggy Heim is resident manager. She stresses wall-to-wall floor coverings and attractive drapes as two of the

fine appointments of the apartments. The interiors and exterior of the building were young & Remington, of Redondo Beach.

'Substance' Is Sermon Topic

Can true substance be both spirit and matter? Or is real substance spiritual and matter a counterfeit? Such are the challenging questions dealt with in all Christian Science services on Sunday. The Lesson Sermon is on "Substance."

Paul's letter to Titus will be read in part from the Bible. Paul admonishes: "Unto the pure all things are pure; but unto them that are defiled and unbelieving is nothing pure;... But speak thou the things which become sound doctrine;... In all things showing thyself a pattern of good works" (1-15; 2:1, 7).

A companion reference from "Science and Health with Key to the Scriptures" by Mary Baker Eddy reads: "To divest thought of false trusts and material evidences in order that the spiritual facts of being may appear... this is the great attainment by means of which we shall sweep away the false and give place to the true" (p. 428).
