

Democrat Fund Drive Set For Sept. 26-29

Mrs. Tredy Owens today called on the entire Democratic party organization in the 17th Congressional District "to pool its individual and collective effort for the greatest fund raising opportunity our party ever had—the Dollars for Democrats Drive Sept. 26-29."

Mrs. Owens said the boost given to the Dollars Drive by the current political fund-raising campaign of the American Heritage Foundation, "could mean the Democrats of the 17th Congressional District and throughout the nation can collect four times as much as was ever collected in a Dollars Drive."

The theme of the non-partisan, nationwide Heritage Foundation campaign is to get all voters in the country to give a dollar to the political party of their choice. If paid for the advertising and publicity program would cost about \$100,000.

"The general interest aroused by the Heritage Foundation campaign will mean money in the bank—hundreds of thousands of dollars—to the political party which is organized to make through door-to-door collections. That will be our purpose in the Dollars Drive. We are organizing from the ward and precinct level in order to get enough collectors to every Democratic doorstep in the 17th Congressional District—that is our goal."
