Moose Hellcats Meet Ten-Pins

The Moose Hellcats, representing the Torrance Moose Lodge in the Industrial Handicap League at the Bowl-O-Drome, will attempt to continue their winning ways when they meet the Ten-Pins tomorrow night at the Western Avenue lanes.

Paced by Dick Hobbs and his 218 second game, the Moose Hellcats took two out of three games from the Auto-Chlor squad in last Friday's league play. The Moose team now has a season record of four wins against two losses.

Employees to See Dodgers Play Baseball

City Manager George Stevens said today that response from baseball-loving city employees has been heavy for "City Employees' Day" to be held on Saturday, Sept. 27, at the Los Angeles Coliseum.

The game between the Los Angeles Dodgers and the Chicago Cubs will be the last of the season for the Dodgers. Stevens said a special "2-for-1" ticket plan will be in effect and that those interested should contact Assistant City Manager Don Mansfield at the City Hall.

Don Distance Men in Meet

Running at night for the first time in its short history as a school, Dominguez High School will venture into something new in cross country dual meets. The Dons will face Aviation High School in a preliminary feature to the football contest Friday at 7:30 p.m.

Coach Joe Rozelle's distance boys have an impressive schedule for the '38 season. The Dons finished second in their first season of competition in Crescent League play and ended up with a 7-2 win-loss record in dual meets.

The Dons meet South Torrance High School's endurance men at Dominguez Oct. 31 in a scheduled event.

Singles Match Teams As Summer Bowling Games Get Under Way

Thursday night's 800 Scratch jumped into high gear as Al Lowell, anchor on Team No. 5 quintet, scattered Bowl-O-Drome wood for an eye-raising 704 set with games of 230-222-243, latching onto a real potent lead in the scramble for the season's individual series honors. S. Prou-

slah, who held the spotlight for the opener the week before, cut loose with a rousing 657 total, climaxed with a six-rolling 206 single pitch and set himself up as the one to beat for the loop's high game award. Team No. 6 holds the early lead, two games over Hallmark, No. 2 and No. 5.

FIGUEREDO SHELL racked up 45 1/2 wins to 14 1/2 to claim winner's trophies in Saturday night's Mixed Four summer kegling season. George Uchi-hara, What Tigers' hotshot, tallied a terrific 675-33-708 set for men's series honors while Dorothy Corsaro produced the girls' high of 589-89-458. Yam Yamamoto, Teddie's teammate, fired away, uncorking a whopping 260-7-273 singles effort high for the men, and Mary Ramsey set to with a powerful 233-257 sizzler for the females' high individual pitch of the season.

BOWL-O-DROME JR.'s, representing their home stopping grounds over at South Bay in the Jr. All Star Double, came in one, two and three sweeper night. Lonnie Cole and Dave Freeman racked up top total of 1826 for the four-game route, pocketing first place loot, while Bob Harris and Gary Shore produced 1515 for second with Bob Yavior and Bob Dupie scoring with 1505 for third.

Team No. 5 holds a two-game lead over Dotie's Grill, South's Cafe, No. 2, Home Improvement, No. 3, and Harvey Aluminum, all bunched in the second spot in Tuesday night's 875 Scratch.

Bruce Bostwick whipped up a powerful 645, taking the lead in series honors, while D. Eppler cut loose with a whopping 257 singles for high.

Mighty Midgets Meet at Stadium

Two of the West's most colorful speed aces—one-handed Allen Heath of Northridge and young Wayne Weiler of Phoenix—figure to provide most of the fireworks when URA midgets compete at Gardena Stadium in a full card of thunderbug action on the third-mile dirt oval.

Weiler won a recent 30-lap feature closely pursued by Heath, who wears an artificial hand to replace the member lost in a racing mishap several years ago. Weiler, who is being groomed as Arizona's understudy to National Champion and Indianapolis Winner Jimmy Bryan, also won the Aug. 30 feature at San Diego.

Saturday night time trials open at 7, first race 8:15 p.m. Other top threats include Gardena's Tom Winchester, Lowell Sachs, Termie Jones, Buddy Lee, Hal Minyard, Roy Prosser, Johnnie Wood and Roger Beck.

Nation's Greats Meet in Stadium 'Cycle Races

The nation's motorcycle racing greats, headed by Joe Leonard and Dick Dorresteyn, come back to the wars at Gardena Stadium Friday night in the climatic event of the huge Western Motorcycle Speed Week.

First event is set for 8:15, with time trials starting at 7. Managing director, J. C. Agastian, has posted a purse of \$1000 for the event, which has drawn one of the finest casts to compete in a short-track scrap this season. Leonard, the San Jose wonder, is the three-time National Champion.

Dorresteyn, who hails from San Francisco, is the defending U. S. short-track kingpin. Other invaders will include Ron Emmick, Pat McHenry, Duane Francisco and Dick Mann.

The Southern California contingent will be out in force and ready to attempt to turn back the powerful invading crew. George Everett, Don Hawley, "Tiger" Johnny Rich, Bob Sirkagian, Arch Johnston, Tex Lisse, Ed Kretz Jr., Jack O'Brien and Bob Souza.

The assembled stars promise to put on one of the finest cycle meets of 1938.

NO HOLE HERE... Dan Chadwick and Dave Christensen hold positions as George Foutts tries to knife through. Tackles worked out last week on line offense and defense under driving schedules set up by line coach Don Garrison. QUESTION MARK... Which one of these candidates for quarterback position on the North H eleven will start in the opener against Warren High School, Sept. 27, is yet undecided by Head Coach Bob Shoup. Left to right: Jim Laird, John McCall, Dick Hedgecock and Bill Hall. Only 12 lettermen are back from last year's Saxon squad. (Herald Photo)

Jockeys Can Organize Own "United Nations"

If the United Nations ever decided to set up an auxiliary organization it wouldn't have to look any further than the jockeys riding on the various race tracks of the United States to find a nucleus. The list of registered riders reveals that natives of 25 countries are actively engaged in the sport.

The majority of the 1300 riders, of course, are from the United States but the neighboring countries, Canada, Mexico and Cuba, are well-represented in quantity and quality. The Canadian contingent is especially strong with such well-known riders as Ted Atkinson, Hedley Woodhouse and Doug Dodson listed.

DIRTY FOGS

Because of soot and dirt in the air, city fogs generally last longer and are more dense than those in open country.

POWERHOUSE... Fullback Ernie Thomson does a cutback during workout last week on North High school football field. The veteran back was named All-League fullback last season and is figured to spark the Saxon offense this year. (Herald Photo)

DOVE SEASON PROSPECTS... Good dove hunting is in prospect for California wing shooters, although the bad is not expected to top last year's estimated record take of 5,253,000 birds. Estimates place the annual fall population of doves in California to be in excess of 20,000,000 birds.
