### Saxons Holding Friendship Fete

Friendship Week, five days planned to make and renew friendships at North High School is being held this week on the Saxon Campus.

Activities to carry through the theme of the week will include an assembly based on international friendship, Oct. 1, and the Friendship Dance Friday, 8 to 11:30 p.m., Oct. 3.

At the October first assembly, Rozanne Wills, North High's foreign exchange student, recently returned from

Greenland will speak to Saxons about her experiences abroad. Per Svanevik, a Norwegian foreign exchange student who is attending school on the North High School campus this year, will also give a short talk on his country.

ALSO HIGHLIGHTING the week will be the choosing of the eight friendliest Saxons, a boy and girl from each grade level who will receive the title "Mister and Miss Friendship."

The choosing of the friendliest Saxons on campus will serve to fulfill the theme of the week," said Mike Cummings, A.S.B. President. "The winners can consider it a great honor."

THE SOPHOMORE, junior and senior "Misters" and "Misses" will be elected by

### NEW SQUARE DANCE CLASS

### Car Club Stages Car Wash Day

Ten members of the Hot Heads Car Club, an affiliate of the Torrance Police Car Club Assn., will hold an all day car wash Saturday beginning at 9 a.m. at the intersection of Fern and Carson Sts.

Donations for their services will be used to purchase parts needed for a car the club is building to run on the association's drag strip.

Chairman for the car wash is Gerald Colanter, club secretary. Ernie Smith is president of the group.

popular vote. "Mister" and "Miss" Friendship from the Freshman Class will be chosen by an impartial board of faculty members. Overseeing Friendship Week activities is general chairman Charlene MacLachlan.

Handling the Friday night dance will be co-chairsmen Sonja Pesola, refreshments; Gary Martin, decorations; Bobby Carre, tickets; Jerry Scharr, off entertainment; and Rossie Murray, publicity.

### X-Ray Unit To Visit ECC

Services of a mobile X-ray unit will be available on the campus of El Camino College, Sept. 30 from 9 a.m. until 4 p.m. and from 6 to 7:30 p.m.

Privately owned and operated by California Chest Surveys, the unit will charge \$1 per X-ray, Polly Butts, college nurse, announced.

The X-rays are taken by a reliable licensed X-ray technician and interpreted by P. K. Tilford, B.D., chest specialist, who was head of the Tuberculosis Division of the Los Angeles County Health Department for about 25 years," Miss Butts said.

Arrangements for the appearance of the unit on the campus were made for the benefit of employees who must submit X-rays annually; however, the public is invited to utilize the facilities.

The unit will be located at the east entrance of the Campus Center in the heart of the campus.

The Dominican republic was founded in 1844.

NEW TELEPHONE BOOK ... Reviewing new October, 1958, directory about to be delivered to local subscribers is (left) L. D. Walker, Pacific Telephone's directory representative; Clerk Jean Best, and truck driver Wesley Keys of Product Development Corp. The big new book is largest ever published and will contain nearly 200,000 names. Total distribution will exceed 475,000 copies in southern area in next 12 months.

### Advanced First Aid Night Class Gets Late Start

The advanced first aid course scheduled to be held at Fern Ave. School cafeteria on Wednesdays has been postponed, according to Victor Kilburn, principal, Torrance Evening High School.

The class will be held on Wednesdays beginning Oct. 15 at Fern Ave. School cafeteria, from 7:30 to 9:30 p.m. Persons interested in obtaining an advanced Red Cross certificate may register with the teacher at that time.

### Phone Directories Due Out on Monday

Telephone book getting a little dog-eared after 12 months of hard use?

Pacific Telephone has a pretty reliable solution to the problem—the 1958 Torrance telephone directory slated for delivery starting Monday.

ACCORDING to local Manager Dick Pyle, the new green and white book lends emphasis to unprecedented telephone growth throughout the community. The new southern area issue will contain an additional 13,000 listings bringing the total to nearly 200,000 names.

Pyle said that a 448-page classified section will provide a complete "where to buy it" guide for local customers. In keeping with an ever-increasing range of community interest, the new book will include listings for all business concerns in the Torrance, Lomita and San Pedro exchanges.

The new book is pointed to the first 10 pages of the new book as important references for (1) emergency calls that may arise, and (2) checking various areas illustrating other calling areas; and (3) those subscribers in the southern area with access to Direct Distance Dialing on how to make a DDD call.

THE FRONT PAGES also include an index to directories serving the greater Los Angeles extended area and an explanation of the charges on a telephone bill.

How many times will a telephone subscriber's name appear in print? In an estimated 475,000 directories—the total number circulated throughout the southern area in a year's time. Outside of the Torrance exchange, the southern area includes the Hawthorne, El Segundo, Compton, Inglewood, Lomita, and San Pedro exchanges.

PYLE NOTED that initial distribution of the big book will exceed 65,000 copies with additional hundreds expected to be delivered as new subscribers come into the community.

Some additional facts on the directory include the listing of A-Aron Scrap Metal still in the No. 1 position at the front of the book while Rober Zywiec replaces Gary Zyzanski as the last name in the directory.

### Offers Class in Navigation

A 12-week class in small boat handling and navigation meeting Monday evenings, 7:30 to 9:30 p.m., Fern Ave. School cafeteria, is now open for registration.

The class is being offered by the Torrance Evening High School in cooperation with the U. S. Coast Guard Auxiliary with Coast Guard certificates being issued upon completion of the course.

Instruction will include seamanship, rules of the road, aids to navigation, the compass, charts and charting courses, and legal requirements.

Students may register with the instructor at the class.
