### South High Passes Rout Artesia Team

Bill Hargrove threw the game away as far as Artesia was concerned Friday afternoon when South High took the Dairyland gridders to the tune of 34 to 13. The game was played on Excelsior High School field.

In the first quarter Hargrove tossed a short pass to Roger Smith who crossed the goal line for the first tally of the game. The exact combination made the conversion point good.

Giving variety to their scoring, Bob Wehrhan went over the top from Artesia's three-yard line for the second South High six in the second quarter. Hargrove to Smith added the extra point.

The third score for the Torrance team was also made by Hargrove to Smith. The end added the extra point to total 21 points.

JIM HAWKINS opened the scoring spree for the Spartans in the third quarter when he plowed over the goal line from Artesia's two-yard line.

**LOCAL GRUBBER . . .** Tom Brown of Torrance will play right end for the University of Utah football team this season. The 19-year-old sophomore is a junior college transfer weighing 184 pounds and is 6'2" tall. Head coach Ray Nagel has praised Brown's pass-receiving ability.

### Selecting Lane Poses Problem

Selecting the proper traffic lane is a skill of multi-lane and freeway driving that many motorists are finding difficult to master, according to Commissioner E. R. Caldwell of the California Highway Patrol.

"The main thing," Caldwell said, "is to avoid impeding the normal flow of traffic. On a divided road with two traffic lanes on each side, the law requires you to drive in the right-hand lane except when overtaking or passing another car or when preparing to make a left turn. By keeping to the right, you will not be guilty of holding up a long line of cars in the passing lane."

The Commissioner noted, however, that the technique differs somewhat on freeways having more than two lanes of traffic on each side, although the object still is to "avoid impeding the normal flow of traffic."

"Drive in the traffic lane where the other cars are traveling at about the same speed as you are," Caldwell suggested. "If several vehicles pass you on the right, you are probably driving too slowly for this lane and should move to the lane on your right."

## 70-Yard Run Sparks Game

Fullback Don Mainer's 70-yard touchdown run sparked Torrance High in their 33-6 win over Culver City on the losers' field Friday afternoon.

Mainer's sprint in the third quarter led a 26-point Tartar scoring spree. Taking a handoff from Quarterback Ron Beres, Mainer swept around left end and raced alone to paydirt.

Culver City came back in the fourth quarter as Gary Romero caught a pass from Doug Campbell and scooped a duplicating 70 yards for the Centaurs' lone TD.

The only score in the first half came when Halfback Stu Ganta went off tackle for 16 yards to tally for Torrance.

Big ground gains for the Tartars were powered by perfect interference as Ron Veres, Joe Montgomery and Bob Serapion also made touchdowns.

Culver City's hopes of upsetting the strong Torrance eleven was dimmed when their quarterback, Jim Moss, was injured late in the second quarter.

## North Hi Plays Inter-team Game

Best Warren! was the cry after the second annual Blue-White inter-squad game of the North High Saxons, won by the Blue, 14-0. The Saxons will open their season against Warren High School of Downey next Saturday.

Chuck Webb scored the first touchdown of the game in the first quarter on a 70 yard pass play from Bill Hall. Webb ran 60 of the 70 yards for the touchdown. Earlier, the Blue team had scored on a safety when Ernie Thompson went back to punt from his own ten, and a bad pass from center went all the way out of the end zone.

In the same quarter, Ed Jauregui, a guard converted from fullback, broke through the line and blocked another punt attempt by Thompson.

In the third quarter, the Blue team got another touchdown drive going. With the Hall-Webb combination clicking for two passes of 20 and 15 yards, the ball rested on the 10 yard line. From there, Bill Wright bulled his way over for the final touchdown.
