RONALD E. MORAN Proudly Announces

# OLDSMOBILE for 1959

Premiere Showing Friday, Oct 3

Start of a New Styling Cycle . . .  
so totally new . . .  
so typically OLDS!

There's new figure and form, with a new "Linear Look" in all three series . . . a new outlook, with nearly 40% greater total glass area. Olds sets the pace in inner space, too, with increased passenger room and luggage space in every model. And for '59, a mighty, new Rocket Engine provides the power . . . the economy . . . the quietness . . . for an exciting new phase of OLDS-mobility!

It is with a great deal of pride and enthusiasm that we announce the creation of the "Oldsmobile Division" of Ronald E. Moran, Inc., an organization devoted exclusively to the sale of the beautiful "New Oldsmobiles."

Please accept our invitation to see the "New Olds for 1959," which will be on display starting October 3rd, in our New Showrooms at 900 No. Pacific Coast Highway, Redondo Beach.
